**An Act to empower the Taupiri Drainage and River Board to reclassify all Lands in the Taupiri Drainage and River District and certain Lands adjacent thereto, and restricting the Grounds of Appeal against such Classification.**

**Preamble**

Whereas the Taupiri Drainage and River Board (hereinafter called the Taupiri Board) was constituted under the provisions of the Taupiri Drainage and River District Act 1929 (hereinafter called the said Act): And whereas under the provisions of the said Act the Mangawara River District, the Hillside Drainage District, the Uapoto Drainage District, the Freshfield Drainage District, and the Woodlands Drainage District have been abolished and the respective Boards of those districts have been dissolved:

And whereas under the provisions of the said Act and the Land Drainage Act 1908, the Tauhei Drainage District has been abolished and the Board thereof has been dissolved, and the area formerly comprising that district is now wholly within the limits of the Taupiri Drainage and River District:

And whereas under the provisions of the said Act certain lands within the limits of the Taupiri Drainage and River District were excluded from the Eureka Drainage District and from the former Mangawara Drainage District:

And whereas all rates and other moneys payable to the Boards dissolved as aforesaid (other than the Mangawara Drainage Board) and some of the rates and other moneys payable to the Mangawara Drainage Board and the Eureka Drainage Board have become payable to the Taupiri Board:

And whereas all the liabilities and engagements of the Boards dissolved as aforesaid (other than the Mangawara Drainage Board) and some of the liabilities and engagements of the Mangawara Drainage Board and the Eureka Drainage Board have become liabilities and engagements of the Taupiri Board:

And whereas certain areas formerly in the Hillside Drainage District and the Woodlands Drainage District are liable for the payment of special rates payable to the Taupiri Board, but are not included in the Taupiri Drainage and River District:

And whereas the Taupiri Board recently converted some of the special loans payable by the Taupiri Board under the provisions of the Local Authorities Interest Reduction and Loans Conversion Act 1932-33:

And whereas under the existing law, by reason of the said conversion, difficulties have arisen in the levying of special rates to pay the interest and sinking funds in respect of the loans converted as aforesaid, and the incidence of rating on the various lands in the Taupiri Drainage and River District and on the various lands included in the areas formerly in the Hillside Drainage District and the Woodlands Drainage District, but not included in the Taupiri Drainage and River District, will be materially altered:

And whereas it is desirable that such difficulties should be removed and that the incidence of rating above mentioned should not be materially altered:

And whereas it is possible to overcome such difficulties and any material alteration to the incidence of rating above mentioned can be avoided by a reclassification of all lands liable to be rated for special rates in respect of the loans converted as aforesaid:

**1 Short Title**

This Act may be cited as the Taupiri Drainage and River Board Empowering Act 1936.

**2 Board empowered to classify lands under the Land Drainage Act 1908**

The Taupiri Board is hereby empowered and authorised to re-classify under the provisions of the Land Drainage Act 1908, all lands liable to be rated for special rates in respect of loans converted by the Taupiri Board under the provisions of the Local Authorities Interest Reduction and Loans Conversion Act 1932-33, and to use the classification so made for the purpose of levying any special rate for the time being made and levied in respect of such loans.

**3 Grounds of appeal against classification restricted**

Notwithstanding anything in section 34 of the Land Drainage Act 1908, the only grounds upon which any person may appeal against any classification made under the authority of this Act shall be—

- (a) that the classification will materially increase the amount of special rates payable in respect of the land of the appellant above the rates payable in respect of such land for the year ended 31 March 1936:
  - (b) that any land is improperly included within or excluded from the district or subdivision to which the classification relates.
