1 Short Title

This Act may be cited as the Reserves and Other Lands Disposal Act 1973.

2 Empowering the Portobello Library Trustees to transfer the Portobello public library site to the Dunedin City Corporation

Whereas by section 82 of the Reserves and Other Lands Disposal and Public Bodies Empowering Act 1919 the land described in subsection (2) was vested in the Portobello Library Trustees (in this section called **the trustees**), a body corporate:

And whereas it was so vested with the intention that the trustees should hold it as a site for a public library:

And whereas the land is no longer required as a site for a public library:

And whereas the trustees wish to transfer the land by way of sale to the Mayor, Councillors, and Citizens of the City of Dunedin (in this section called **the Corporation**):

And whereas the trustees have no power to so transfer the land:

And whereas it is desired to confer such a power on the trustees:

Be it therefore enacted as follows:

- (1) Notwithstanding section 82 of the Reserves and Other Lands Disposal and Public Bodies Empowering Act 1919 or the Reserves and Domains Act 1953 or any other enactment or rule of law, the trustees may transfer to the Corporation by way of sale for an estate in fee simple the land described in subsection (2), on such terms and conditions as the trustees and the Corporation may agree on, but otherwise freed and discharged from all trusts, reservations, and restrictions affecting the land.

- (2) This section relates to the following land:

All that area in the Otago Land District, Dunedin City, containing 111 square metres, more or less, being Section 41, (formerly part Section 40), Block VII, Portobello Survey District, as more particularly shown on SO Plan 17646 lodged in the office of the Chief Surveyor at Dunedin and thereon edged in bold black lines, and being all the land comprised in certificate of title, Volume 192, folio 240, Otago Land Registry.

3 Empowering the Waikouaiti County Council to sell certain land, and requiring it to apply the proceeds for the benefit of the Waikouaiti Athenaeum

Whereas by section 8 of the Reserves and Other Lands Disposal Act 1968 the land first, secondly, and thirdly described in subsection (4) was vested in the Chairman, Councillors, and Inhabitants of the County of Waikouaiti (in this section called **the Council**) for an estate in fee simple:

And whereas the land first and secondly described was so vested to be held as a public reserve, subject to the Reserves and Domains Act 1953, for the purposes of a hall and library situated on that land, or for any public hall or library that might thereafter be erected to replace the existing hall or library:

And whereas the land thirdly described was so vested as an endowment, without power of sale, for the benefit of the existing hall and library, or for the benefit of any public hall or library that might thereafter be erected to replace the existing hall or library:

And whereas the land thirdly described is presently used for farming:

And whereas the Council wishes to sell the land thirdly described, and to invest the proceeds of the sale permanently, and to use the interest from the investments for the benefit of the hall and library, or for the benefit of any public hall or library erected to replace the existing hall or library:

And whereas it is desired to confer such a power of sale on the Council, and to require it to invest the proceeds and apply the interest from the investments for those purposes:

Be it therefore enacted as follows:

- (1) Notwithstanding section 8 of the Reserves and Other Lands Disposal Act 1968 or any other enactment or rule of law, the Council may from time to time, subject to subsections (2) and (3), transfer by way of sale for an estate or estates in fee simple the whole or any part or parts of the land thirdly described in subsection (4) on such terms and conditions as it thinks fit.
- (2) Any land sold under this section shall remain subject to all leases and tenancies affecting that land at the time of sale, unless in any particular case the lessee or tenant otherwise agrees, but shall otherwise be deemed to be freed and discharged from all trusts, reservations, and restrictions affecting that land at the time of sale.

- (3) The Council shall invest the proceeds of sale of the land in such manner as it thinks fit, and shall apply the interest received from such investments solely for the benefit of the hall and library at present situated on the land first and secondly described in subsection (4), or for the benefit of any public hall or library that may hereafter be erected (whether on the land first or secondly described in subsection (4) or elsewhere) for the inhabitants of Waikouaiti district in replacement of the existing hall or library.
- (4) This section relates to the following land:

And whereas the last surviving trustee died before that arrangement could be put into effect:
