44 Increased or decreased contributions by corporate contributors to certain existing schemes

- (1) If the Board becomes aware that the level of contributions being made to either the DBP contributors scheme or the aircrew superannuation scheme is, on the information available to the Board,—
 - (a) unlikely to be sufficient to provide for the liabilities of that scheme; or
 - (b) likely to be in excess of the level of contributions required to provide for the liabilities of the scheme,—

the Board shall give notice to that effect to the Minister, with a statement of the Board's view as to what action would be required to rectify the position.

- (2) The Minister may, by notice in writing to the Board, direct the Board to increase or decrease the contributions required to be made by any corporate contributor to the DBP contributors scheme or the aircrew superannuation scheme, and the Board shall take all such steps as are reasonably necessary to implement any such increase or decrease.
- (3) The Minister may give such notice whether or not the Board has recommended that there be any change to those contributions but shall not do so without prior consultation with the Board.

- (4) Neither the Minister nor the Board may give a notice under this section unless reasonably satisfied, after due enquiry and having regard only to the financial position of the DBP contributors scheme (and not that of the DBP annuitants scheme) or the aircrew superannuation scheme, as the case may be, that the increases or decreases—
- (a) are necessary in order to ensure that any trust fund in respect of the DBP contributors scheme or aircrew superannuation scheme is not in a deficit or surplus position, or to reduce such deficit or surplus position, taking account of the scheme's projected liabilities, the value of its property, and the projected level of future contributions to the scheme; and
 - (b) will result in contributions being at a level which, on reasonable assumptions, is likely to achieve neither a surplus nor a deficit in the trust fund of the DBP contributors scheme or aircrew superannuation scheme at the time that the last contributor to that scheme ceases to so contribute.
- (5) Any notice under subsection (2) shall specify the date on which such increases or decreases are to be implemented, but that date shall not be less than 3 months after the date of the notice.

Section 44(4): amended, on 1 May 2011, by section 82 of the Financial Markets Authority Act 2011 (2011 No 5).

- (2) An additional amount payable to a person under subsection (1)—
- (a) must be paid by the Board on the date or dates the Board in its discretion decides; and
 - (b) must be disregarded for the purpose of calculating any adjustment for increases in the New Zealand Consumers Price Index under the specified scheme; but
 - (c) must for all other purposes be treated as a payment of the person's allowance, annuity, or pension under the specified scheme.
- (3) In this section, **specified scheme** means a defined benefit scheme whose trust deed requires adjustment of the amounts of the allowances, annuities, or pensions payable under it for increases in the New Zealand Consumers Price Index.

2 Global asset trust

The establishment of a trust in which certain property of the Fund will, and certain liabilities of the Fund may, be vested in accordance with clause 5 and which will—

- (f) have such powers as are given to it by its trust deed, which shall include power to borrow from any person including any existing scheme.

3 GAT subsidiaries

The identification of companies or unit trusts, or both, (if any) that are to be GAT subsidiaries for the purposes of this Act.

4 Division of Fund

- (1) The determinations and allocations referred to in this clause shall be made as at the beginning of the transfer day.
- (2) The determination of the liabilities to pay benefits under the existing schemes and to meet the existing investment arrangements.

- (4) The determination of the dedicated reserves (if any) in respect of each existing scheme.
- (5) The determination of the free reserves.
- (6) The allocation of property to meet the liabilities referred to in subclauses (2) and (3) (other than the liabilities referred to in subclause (11), for which no property shall be allocated) on the basis of—

- (7) The market value of the property allocated—
 - (a) to each of the defined contribution schemes; and
 - (b) to meet existing investment arrangements—

shall equate with the value of the liabilities (including, in the case of a defined contribution scheme, an amount equal to the dedicated reserves of that scheme) of that scheme or existing investment arrangement.
- (8) The market value of the property allocated to each of the old public schemes shall equate with the value of the liabilities of that scheme (including any reasonable expectation of future increases in benefits based on past practice).

inflation, and mortality rates, that are based on reasonable expectations over the appropriate term of the liabilities of the scheme assuming that the scheme is fully funded with an asset mix based on the investments that a trustee would make in respect of the scheme if fully funded taking into account the term and nature of the liabilities.

- (11) There shall be allocated to the DBP annuitants scheme all liabilities, and responsibilities to discharge liabilities, of the Board or the Fund—
- (a) arising out of or in connection with any agreement to settle claims (being an agreement to which the Board is a party) which is or becomes unconditional and which relates to any NPF group company; or

- (3) The number or amount, and terms of issue, of any equity securities, debt securities, or participatory securities or any combination of any of those types of securities, of each GAT subsidiary to be issued to the Board as trustee of the global asset trust in consideration of the vesting of property in that GAT subsidiary pursuant to subclause (2).

Schedule 5

Provisions to be included in trust deeds for DBP annuitants scheme and DBP contributors scheme

s 42

1 Winding up

- (1) Neither the DBP annuitants scheme nor the DBP contributors scheme may (to the extent that the winding up of the scheme is permitted by legislation and the terms of its trust deed) be wound up unless the other of those schemes is being wound up at the same time. When the DBP contributors scheme is wound up, the interests of all members in that scheme at that time shall be transferred to the DBP annuitants scheme immediately before the DBP annuitants scheme is wound up.
- (2) Upon a winding up of the DBP annuitants scheme, the Crown shall pay into that scheme the amount necessary to increase the market value of the property of that scheme to the value it would have had if—
 - (a) property had been allocated to that scheme by the proposal in accordance with clause 4(10) of Schedule 2 but without the deduction of the amount of \$230 million (or such other amount as may have been agreed between the Crown and the Board for the purposes of that subclause); and
 - (b) the investment of the property of the scheme had been appropriate to its liabilities; and
 - (c) subparagraphs (ii) and (iii) of clause 2(1)(a) applied,—such assessment to be made by an actuary appointed by the Board and approved by the Crown.

2 Changes in benefits and transfer values

- (1) To the extent that the terms of the DBP annuitants scheme and DBP contributors scheme may permit improvements or other changes in benefits (including in each case increases to benefits of either or both such schemes but not including transfers to other superannuation schemes) then, without limiting considerations other than the financial position that may be taken into account, any person (including the Board and the Crown) shall either—
 - (a) take into account the combined financial position of the DBP annuitants scheme and the DBP contributors scheme as if—
 - (i) those schemes had not been divided; and
 - (ii) no settlement of claims in relation to any NPF group company had been entered into by the Board; and
 - (iii) all property and liabilities of the Board that existed immediately before the transfer day in relation to an NPF group company had

- been allocated among the existing schemes by the proposal in a fair and equitable manner; and
- (iv) the investment of the property of those schemes had been appropriate to their liabilities; and
 - (v) all powers, directions, actions, and obligations had been exercised, made, taken, or complied with as if subparagraphs (i) to (iv) had applied; or
- (b) take into account only the financial position of the DBP contributors scheme.
- (2) In the event that a change in benefits is implemented under subclause (1)(a), there shall be a transfer between the DBP contributors scheme and the DBP annuitants scheme of such property as is necessary to ensure that the resulting financial position of each scheme is fair and equitable to the members and other beneficiaries of the scheme, the corporate contributors, and the Crown as guarantor.
- (3) In the event that a change in benefits under the DBP annuitants scheme is implemented under subclause (1)(b), there shall be a transfer from the DBP contributors scheme to the DBP annuitants scheme of property having a market value equal to the consequential increase in the actuarial liability of the DBP annuitants scheme.
- (4) Any person (including the Board and the Crown) considering, determining, or directing a change in benefits in terms of subclause (1)—
- (a) shall, in deciding which of the paragraphs (a) and (b) of subclause (1) to apply, take into account the position which is most favourable to members and other beneficiaries of the DBP contributors scheme and DBP annuitants scheme; and
 - (b) shall regard as the paramount objective the need to ensure that members and other beneficiaries of the DBP annuitants scheme are not in any way disadvantaged by the implementation of any settlement of claims in relation to any NPF group company; and
 - (c) shall have regard to the practice of not improving benefits from a superannuation scheme unless there is an actuarial surplus in that scheme.
- (5) To the extent that the terms of the DBP contributors scheme and DBP annuitants scheme provide for the payment of any amounts on transfer of a member or other beneficiary to another superannuation scheme (**transfer values**) then, without limiting any existing rights of any members or other beneficiaries or the considerations other than the financial position that may be taken into account, any person (including the Board and the Crown) considering, determining, or directing any matter in respect of transfer values shall take into account the combined financial position of the DBP annuitants scheme and DBP contributors scheme as if subparagraphs (i) to (v) of subclause (1)(a) applied.

- (6) Following the payment of any transfer values determined in accordance with subclause (5), there shall be a transfer between the DBP contributors scheme and DBP annuitants scheme of such property as is necessary to ensure that the resulting financial position of each scheme is fair and equitable to the members and other beneficiaries of the scheme, the corporate contributors, and the Crown as guarantor.
- (7) Any person (including the Board and the Crown) considering, determining, or directing any matter in respect of transfer values in terms of subclause (5) shall have as an objective the need to ensure that members and other beneficiaries of the DBP contributors scheme and DBP annuitants scheme are not in any way—
- (a) affected by the division resulting in those schemes; or
 - (b) disadvantaged by the implementation of any settlement of claims in relation to any NPF group company.

Schedule 5 clause 2(5): amended, on 7 November 1991, by section 14(1) of the National Provident Fund Restructuring Amendment Act 1991 (1991 No 114).

Schedule 5 clause 2(6): amended, on 7 November 1991, by section 14(2) of the National Provident Fund Restructuring Amendment Act 1991 (1991 No 114).

Schedule 5 clause 2(7): amended, on 7 November 1991, by section 14(3) of the National Provident Fund Restructuring Amendment Act 1991 (1991 No 114).

3 Transfer from DBP contributors scheme to DBP annuitants scheme

Upon any member of the DBP contributors scheme ceasing to be a contributor but retaining a right, actual or contingent, to a benefit, the Board as trustee of the DBP contributors scheme shall transfer to the DBP annuitants scheme property having a market value equal to the liability of the DBP annuitants scheme to pay the benefit attributable to that person's membership, taking into account estimates of future investment earnings, taxation, inflation, and mortality rates, that are based on reasonable expectations over the appropriate term of the liability in respect of that benefit assuming that the scheme is fully funded with an asset mix based on the investments that a trustee would make in respect of the scheme if fully funded taking into account the term and nature of its liabilities.

Schedule 5 clause 3: amended, on 7 November 1991, by section 14(4) of the National Provident Fund Restructuring Amendment Act 1991 (1991 No 114).

 - (b) to give the member or beneficiary an opportunity to provide written submissions on the matter to the Board.
- (3) A notice under subsection (2) must state an officer or agent of the Board to whom enquiries and complaints about the charging of expenses may be made.
