Part 1

Levy orders

4 Governor-General may impose levy

Subject to section 5, the Governor-General may from time to time, on the recommendation of a Minister, by Order in Council impose on a commodity a levy payable to a body corporate.

5 Restrictions on making of orders

- (1) No Minister shall recommend the making of a levy order, unless the body corporate to which the levy is to be payable (in subsection (2) referred to as an applicant organisation) has—
 - (a) asked the Minister to do so; and
 - (b) given the Minister a written plan showing how the levy collected in the first full year of collection would be spent.
- (2) No Minister shall recommend the making of a levy order imposing on any commodity a levy payable to an applicant organisation, unless the Minister is satisfied, on the basis of information and evidence satisfactory to the Minister,—
 - (aa) that—
 - (i) within the previous 12 months; or
 - (ii) within the previous 18 months, and before the commencement of the Commodity Levies Amendment Act 1993,—

the organisation has held a support referendum in relation to a proposal that the levy, payable to the organisation, should be imposed on the commodity; and
 - (ab) that the support referendum was competently devised; and
 - (ac) that the ballot paper described the proposal clearly, specifying in relation to it all the matters required by section 6(1) to be specified in a levy order, and (in particular) indicated that the imposition of the levy was proposed to be on the basis of one of the following:
 - (i) production of the commodity:

- (ii) the value of the commodity produced:
- (iii) the area of land devoted to the production of the commodity:
- (iv) the number, quantity, or capacity, of a thing or things of a specified kind used in connection with the production of the commodity, for example,—
 - (A) the number of breeding stock, chicks, embryos, hives, or trees; or
 - (B) the quantity of electricity; or
 - (C) the capacity of plant or buildings; and
- (ad) that the support referendum was so publicised that potential levy payers had a reasonable opportunity to be adequately informed about its holding, nature, and possible consequences; and
- (ae) that the support referendum was so held that potential levy payers were given a reasonable opportunity to participate in it; and
- (af) that the voting in the support referendum was conducted on the basis of one of the matters specified in subparagraphs (i) to (iv) of paragraph (ac) (but not necessarily the matter that the ballot paper indicated was the proposed basis of the levy's imposition); and
- (ag) that more than half of the participants in the support referendum were supporters; and
- (ah) where voting in the support referendum was conducted on the basis of production of the commodity, that during the 12 months before the support referendum was held the total amount of the commodity produced by supporters was more than half of the total amount of the commodity produced of all participants; and
- (ai) where voting in the support referendum was conducted on the basis of the value of the commodity, that during the 12 months before the support referendum was held the value of the total amount of the commodity produced by supporters was more than half of the value of the total amount of the commodity produced of all participants; and
- (aj) where voting in the support referendum was conducted on the basis of the area of land devoted to the production of the commodity, that during the 12 months before the support referendum was held the total area of land devoted to the production of the commodity by supporters was more than half of the total area of land devoted to the production of the commodity by all participants; and
- (ak) where voting in the support referendum was conducted on the basis of the number, quantity, or capacity, or a thing or things of a specified kind used in connection with the production of the commodity, that during the 12 months before the support referendum was held the total number of those things, quantity of that thing, or capacity of those things, used in

connection with the production of the commodity by supporters was more than half of the total number, quantity, or capacity of that thing or those things so used by all participants; and

- (al) where the basis on which voting in the support referendum was conducted was not the proposed basis of the levy's imposition, that the impact of imposing the levy on that proposed basis will be substantially similar to the impact of imposing it on the basis on which voting was conducted; and
- (am) that the matters specified in the order pursuant to section 6(1) do not differ in any material way from those specified in the ballot paper pursuant to paragraph (ac); and
- (a) that the organisation has consulted adequately persons (other than persons entitled to participate in the support referendum) likely to be affected by the payment or collection of the levy; and
- (b) *[Repealed]*
- (c) *[Repealed]*
- (d) *[Repealed]*
- (e) *[Repealed]*
- (f) *[Repealed]*
- (g) that—
 - (i) persons opposing the levy's imposition on the commodity; and
 - (ii) other organisations (if any) representing or purporting to represent the interests of the persons who are to be primarily responsible for paying the levy, or any of them,—have had a reasonable opportunity to put their views to the Minister; and
- (h) that the Minister has had due regard to all views put to the Minister about the proposed imposition of the levy on the commodity; and
- (i) that the uses to which the levy will be put will be closely related to the interests of the persons who will be primarily responsible for paying it; and
- (j) that overall, the benefits to the persons who will be primarily responsible for paying the levy of the spending for the purposes specified in the order of the amount of levy likely to be raised will outweigh the disadvantages to them of the imposition, collection, and payment of the levy on the commodity; and
- (k) if the levy is imposed on quantities of the commodity imported into New Zealand that—
 - (i) the importers will benefit from the spending of the levy; and

- (ii) the organisation will have regard to the importers' views on the spending of the levy; and
- (iii) the imposition of the levy on imported commodity will not be contrary to New Zealand's international legal obligations; and
- (l) that the organisation, by virtue of its membership and structure, represents adequately the views and interests of the persons who will be primarily responsible for paying the levy; and
- (m) either—
 - (i) that it would be impossible or impracticable to finance the doing out of voluntary levies of the things for which the levy is to be spent; or
 - (ii) that if the doing of the things for which the levy is to be spent were paid for out of voluntary levies, persons who chose not to pay those levies would derive unearned benefits from the doing of those things; and
- (n) that the organisation has or will have in place adequate systems for accounting to persons who will be primarily responsible for paying the levy of its receipt and expenditure (including, in particular, the uses to which it will be put); and
- (o) that all other relevant matters known to the Minister have been properly considered.

 - (i) by deducting it from any amount the organisation owes the person; or
 - (ii) as a debt due in any court of competent jurisdiction:
- (c) where a person responsible for paying the levy to the organisation—
 - (i) is not primarily responsible for paying any amount of the levy; but
 - (ii) is required to deduct that amount from any amount the person owes the person primarily responsible, and pay it to the organisation,—

notwithstanding any rule of law to the contrary, the amount deducted or (if the larger amount from which it is required to be deducted is still in the person's possession) required to be deducted shall, until it has been paid to the organisation, be deemed to be money held in trust for the organisation:

- (d) where a person responsible for paying the levy to the organisation—
 - (i) is not primarily responsible for paying any amount of the levy; and
 - (ii) is required to deduct that amount from any amount the person owes the person primarily responsible, and pay it to the organisation; and
 - (iii) fails to make the full deduction required before paying the amount owed to the person who is owed it,—

the organisation may recover from the person to whom or which the other amount was paid the amount of the deduction that should have been made, as if the person is a person responsible for paying it to the organisation:

- (e) where a person who has paid the levy to the organisation is not the person primarily responsible for paying it, the former may recover the amount paid from the latter—
 - (i) by deducting it from any amount the former owes the latter; or
 - (ii) as a debt due in any court of competent jurisdiction.

8 Conscientious objectors

Every levy order shall make special provision for the payment of amounts of levy by persons who object on conscientious or religious grounds to paying it in the manner otherwise provided for in the order.

 - (ix) any other purpose the Minister thinks fit.
- (3) Subsection (2)(b) of this section does not limit the generality of section 6(2)(a).
- (4) An industry organisation may, with the written approval of a Minister, and subject to the conditions (if any) subject to which the approval was given, spend any amount of a levy it has imposed pursuant to a levy order for a purpose prohibited by subsection (1) or by the order.
- (5) The Minister shall not give an approval under subsection (4) unless satisfied that—
- (a) the spending of money for the purpose concerned will benefit most of the persons primarily responsible for the payment of the levy concerned; and
 - (b) if some members of the industry spend money for the purpose, other members who have not done so will derive unearned benefits from the expenditure; and
 - (c) persons who, together, are primarily responsible for paying considerably more than half the amount of the levy concerned each year support the spending of money for the purpose.
- (6) Nothing in subsection (1) prevents an industry organisation from—
- (a) using any part of a levy for buying limited quantities of the commodity or commodities concerned, or of any product made from it or them, if those quantities are bought for 1 or more of the following purposes: promotion, research, education, product development, and market development; or
 - (b) reselling (with or without modification or processing) all or any part of any limited quantity of the commodity or commodities bought for 1 or more of those purposes.

 - (c) using any part of a levy to undertake or pay for the undertaking of the publication or sale of any educational, informative, or promotional material, (whether or not at a profit); or
 - (d) investing any part of a levy, pending its expenditure.

Every levy order shall provide for—

- (a) the appointment of mediators to resolve disputes as to—
 - (i) whether or not any person is required to pay the levy concerned:
 - (ii) the amount of levy any person is required to pay; and
- (b) the procedures to be followed by mediators; and
- (c) remuneration of mediators; and
- (d) the payment of costs in relation to mediation; and
- (e) a right of appeal to a District Court Judge against decisions of mediators; and
- (f) any other matters relating to the resolution of such disputes.

12 Orders are confirmable instruments

- (1) The explanatory note of a levy order made under section 4 must indicate that—
- (a) it is a confirmable instrument under section 47B of the Legislation Act 2012; and
 - (b) it is revoked at a time stated in the note, unless earlier confirmed by an Act of Parliament; and
 - (c) the stated time is the applicable deadline under section 47C(1)(a) or (b) of that Act.
- (2) *[Repealed]*
