*Priority products***9 Declaration of priority products**

- (1) The Minister may, by notice in the *Gazette*, declare a product to be a priority product.

 - (i) the product will or may cause significant environmental harm when it becomes waste; or
 - (ii) there are significant benefits from reduction, reuse, recycling, recovery, or treatment of the product; and
 - (b) the product can be effectively managed under a product stewardship scheme.
- (3) Before the Minister makes the declaration, he or she—
 - (a) must obtain and consider the advice of the Waste Advisory Board; and

 - (b) is likely to meet the scheme's objectives within the time frames set in the scheme; and

- (c) is likely to promote waste minimisation or reduce the environmental harm from disposing of the product to which the scheme relates without, in either case, causing greater environmental harm over the life cycle of the product; and
 - (d) is consistent with New Zealand's international obligations; and
 - (e) if the scheme relates to a priority product, is consistent with any guidelines published under section 12.
- (2) Despite subsection (1)(e), the Minister may accredit a product stewardship scheme that is not consistent with any guidelines published under section 12 if, before accrediting the scheme, he or she has obtained and considered the advice of the Waste Advisory Board.

- (1) An accredited scheme may be varied.
- (2) However, no variation to an accredited scheme has any effect until the scheme, as varied, is re-accredited under section 15.
- (3) Subsection (2) does not apply if the variation to the scheme is a variation that will not adversely affect the scheme's objectives or its ability to meet those objectives within the time frames set in the scheme but, if the variation adds 1 or more participants to the scheme or adds 1 or more brands of product to which the scheme relates, the scheme manager must notify the Minister, in writing, of the addition not more than 5 working days after the scheme is varied.

17 Expiry of accreditation

- (1) The accreditation of a product stewardship scheme expires on the earlier of the following dates:
- (a) the date specified in the scheme as its expiry date;
 - (b) 7 years after the date that notice is given under section 15(4).
- (2) However, the accreditation of an existing product stewardship scheme continues if,—
- (a) not later than 6 months before its expiry date, the scheme manager applies for accreditation of a scheme to replace it; and

- (b) at the expiry date, the application for the replacement scheme has not been determined by the Minister under section 15.
- (3) A product stewardship scheme to which subsection (2) applies continues as an accredited scheme until the date that the replacement scheme is accredited or the application concerned is declined by the Minister under section 15.

18 Revocation of accreditation

- (1) The Minister may revoke the accreditation of an accredited scheme if—
 - (a) he or she is satisfied that—
 - (i) reasonable steps are not being taken to implement the scheme; and
 - (ii) the scheme's objectives are not being met or are not likely to be met within the time frames set out in the scheme; or
 - (b) he or she is satisfied that the reporting requirements for the scheme are not being complied with; or
 - (c) the product to which the scheme relates was not a priority product at the date of the scheme's accreditation, but has subsequently been declared a priority product, and he or she is satisfied that the objectives of the scheme are no longer adequate in relation to the product.
- (2) The Minister must not revoke the accreditation of an accredited scheme unless he or she—
 - (a) notifies the scheme manager in writing; and
 - (b) provides a reasonable opportunity for the scheme manager to make submissions on whether the scheme's accreditation should be revoked.

19 Accredited scheme subject to other laws

An accredited scheme applies subject to any other enactment, the general law, and any bylaws (within the meaning of the Local Government Act 2002).

Levy must be paid

26 Levy imposed on waste disposed of at disposal facility

- (1) A levy is imposed on waste disposed of at a disposal facility.
- (2) However, subsection (1) does not apply to waste disposed of at a disposal facility if—

unpaid amount is any part of the original amount that remains unpaid on the day of calculation

prescribed rate is the business lending rate published by the Reserve Bank of New Zealand on the most recent 1 July before the day of calculation.
