¹ SR 1993/354

3 Vessels required to carry and operate automatic location communicators

- (1) Regulation 3(1)(a) of the principal regulations is amended by inserting, after the words “vessels”, the words “excluding foreign licensed fishing vessels used to fish for tuna”.
- (2) Regulation 3(1) of the principal regulations is amended by inserting, after paragraph (f), the following paragraph:
 - (fa) foreign licensed fishing vessels used to fish for tuna specified by the chief executive by notice in the *Gazette* given for the purposes of this regulation; and

Marie Shroff,

Clerk of the Executive Council.

Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 21 December 2001, amend the Fisheries (Satellite Vessel Monitoring) Regulations 1993. The amendment allows the Ministry of Fisheries to require foreign licensed fishing vessels used to fish for tuna to operate and carry a particular automatic location communicator specified by the chief executive.

Issued under the authority of the Legislation Act 2012.

Date of notification in *Gazette*: 15 November 2001.
