Note

Changes authorised by subpart 2 of Part 2 of the Legislation Act 2012 have been made in this eprint. See the notes at the end of this eprint for further details.

These regulations are administered by the Ministry for Primary Industries.

3 Principal regulations amended

These regulations amend the Fisheries (Satellite Vessel Monitoring) Regulations 1993.

4 Interpretation

Regulation 2 is amended by inserting the following definition in its appropriate alphabetical order:

benthic protection area has the meaning given to it in regulation 4 of the Fisheries (Benthic Protection Areas) Regulations 2007

5 Vessels required to carry and operate automatic location communicators

Regulation 3(1) is amended by inserting the following paragraph after paragraph (ea):

(eb) New Zealand fishing vessels of 28 metres or less in length that are used at any time during a fishing year to trawl within a benthic protection area; and

Diane Morcom,

Clerk of the Executive Council.

Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 15 November 2007, amend the Fisheries (Satellite Vessel Monitoring) Regulations 1993 by—

- inserting a definition of benthic protection area; and
- inserting a *new regulation 3(1)(eb)*, which requires an automatic location communicator to be carried and operated on board New Zealand fishing vessels that are—
 - 28 metres or less in length; and
 - used at any time during a fishing year to trawl within a benthic protection area.

The amendments are required as a result of the establishment of benthic protection areas under the Fisheries (Benthic Protection Areas) Regulations 2007.

Issued under the authority of the Legislation Act 2012.
Date of notification in *Gazette*: 18 October 2007.
