## Order

### 1 Title

This order is the Commodity Levies (Tamarillos) Order 2010.

## 2 Commencement

This order comes into force on the 28th day after the date of its notification in the *Gazette*.

Order: confirmed, on 18 October 2011, by section 7(b) of the Subordinate Legislation (Confirmation and Validation) Act 2011 (2011 No 96).

## 3 Interpretation

In this order, unless the context otherwise requires,—

**collection agent** means a person whose business is or includes—

- (a) buying tamarillos from a grower for resale, processing, or export; or
- (b) selling, processing, or exporting tamarillos on behalf of a grower

**FOB value**, in relation to any quantity of tamarillos exported from New Zealand in respect of which a customs entry is made, means the value of the tamarillos as specified in the declaration in, attached to, or forming part of, the entry (before the deduction of any costs or charges)

**fresh** means not processed

**grower** means a person whose business is or includes the growing of tamarillos for commercial purposes

**GST** means goods and services tax

**levy** means the levy imposed by clause 4

**levy money** means money paid or payable under this order as a levy

**levy year** means,—

- (a) for the first year, the period beginning on the 28th day after the date of the notification of this order in the *Gazette* and ending on 31 December 2011; and
- (b) for each subsequent year, the period of 12 months beginning on 1 January and ending on 31 December

**mediator** means a person appointed under clause 23(2) and, in relation to a dispute, means a mediator appointed to resolve it

**month** means calendar month

**notional process value** means the amount of money that, in the opinion of NZTGA, the grower would have received if, immediately before the tamarillos were processed, the grower had sold them to a similar processor in the grower's locality (excluding GST and before the deduction of any costs and charges)

**NZTGA** means the New Zealand Tamarillo Growers Association Incorporated

**processed** includes bottled, canned, dehydrated, evaporated, dried, freeze-dried, frozen, and preserved,—

- (a) whether as tamarillos or as concentrate, pulp, puree, sauce, or some other product; and

- (b) whether alone or with other ingredients

**selling price—**

- (a) means the price at which the tamarillos are sold at the first point of sale (excluding GST and before the deduction of any costs or charges); but
- (b) if, in the opinion of NZTGA, that price is not consistent with prevailing market conditions in the grower's locality, NZTGA may determine that the selling price is the market value that, in the opinion of NZTGA, the purchaser would reasonably have been expected to pay for the tamarillos (excluding GST and before the deduction of any costs and charges)

**tamarillos** means the fruit of the tamarillo plant (*Cyphomandra betacea*).

**4 Levy imposed**

- (1) A levy is imposed on tamarillos grown in New Zealand by growers for—
- (a) sale for consumption as fresh fruit; or
- (b) resale as fresh fruit; or
- (c) export as fresh fruit; or
- (d) sale for processing in New Zealand; or
- (e) processing before sale.
- (2) The levy is payable to NZTGA.

*Responsibility for payment of levy*

**5 Grower primarily responsible for paying levy**

A grower is primarily responsible for paying the levy.

**6 Responsibility of collection agents for payment of levy**

- (1) A collection agent—
- (a) must pay the levy (and any GST payable on the levy) on tamarillos—
- (i) bought from the grower (except through another collection agent); or
- (ii) sold, processed, or exported on the grower's behalf; and
- (b) may recover the levy (and any GST paid in respect of it) from the grower—
- (i) by deducting the amount of the levy (and any GST paid in respect of it) from the payment made to the grower; or
- (ii) by recovering the amount of the levy (and any GST paid in respect of it) as a debt due from the grower.
- (2) A collection agent who pays the levy may, before paying it to NZTGA, deduct from the levy a collection fee of not more than 10% of the amount of the levy (exclusive of GST) plus the GST payable on the fee.

*Determination of levy by NZTGA*

**7 Basis for calculation of levy**

- (1) The levy payable by a grower must be calculated on the basis of—
  - (a) the FOB value, in the case of tamarillos that are exported unprocessed before the first point of sale;
  - (b) the notional process value, in the case of tamarillos that are processed before the first point of sale;
  - (c) the selling price, in all other cases.
- (2) If the levy is calculated on the basis of the selling price, NZTGA may treat the following amounts as if they were part of the selling price:
  - (a) any other payments made to the grower by the purchaser in relation to the sale of the tamarillos;
  - (b) the value (as determined by NZTGA) of any goods or services provided—
    - (i) to the grower by the purchaser in relation to the sale of the tamarillos; and
    - (ii) free of charge or below market value.

**8 Returns must be supplied to NZTGA to determine amount of levy**

- (1) For the purpose of determining the amount of levy payable by a grower,—
  - (a) every grower who sells, processes, or exports the grower's own tamarillos in any month must provide to NZTGA, with the amount of levy for the month, written notice of—
    - (i) the selling price and quantity of tamarillos sold by the grower in the month; and
    - (ii) the notional process value and quantity of tamarillos processed for sale by the grower in the month; and
    - (iii) the FOB value and quantity of tamarillos exported by the grower in the month; and
  - (b) every collection agent must provide to NZTGA, with the amount of levy for each month, written notice of—
    - (i) the price paid for, and quantity of, tamarillos bought from a grower by the collection agent in the month; and
    - (ii) the notional process value and quantity of tamarillos processed on behalf of a grower by the collection agent in the month; and
    - (iii) the FOB value and quantity of tamarillos exported on behalf of a grower by the collection agent.

- (2) NZTGA may request, in writing, from each grower and collection agent any other information required by NZTGA for the purpose of determining the amount of the levy payable by a grower or collection agent.
- (3) Every grower and collection agent must, as soon as is reasonably practicable after receiving a written request from NZTGA, supply NZTGA with written returns of the information requested.

**9 Maximum rate of levy**

The maximum rate of the levy is 3% of the FOB value, notional process value, or selling price (as the case may be).

**10 Payment of levy**

The levy must be paid at a single rate.

**11 NZTGA must fix actual rate of levy**

NZTGA must fix the actual rate of the levy,—

- (a) for the levy year ending on 31 December 2011, in accordance with its rules, whether the rate is fixed before or after the commencement of this order;
- (b) for any subsequent levy year, at a general meeting of NZTGA held before the beginning of the levy year.

**12 Previous rate applies if new rate not set**

The following rate of levy continues to apply until a new rate is set under clause 11:

- (a) the rate last set under clause 11; or
- (b) if a rate has never been set under clause 11, the rate that applied immediately before the commencement of this order.

**13 Notification of levy rate**

- (1) As soon as practicable after the rate of levy for a levy year has been fixed, NZTGA must notify the rate in—
  - (a) the *Gazette*; and
  - (b) *The Orchardist*.
- (2) If *The Orchardist* ceases to be published, the rate of levy for a levy year must be notified in—
  - (a) any publication that replaces it; or
  - (b) if no publication replaces it, a publication specified by the Minister in the *Gazette*.

*Payment of levy*

**14 When levy payable**

- (1) The due day for payment of the levy to NZTGA is—
  - (a) the date of sale in the case of tamarillos sold—
    - (i) by the grower direct to the public or to a collection agent; or
    - (ii) by a collection agent on behalf of the grower; or
  - (b) the date of processing in the case of tamarillos processed—
    - (i) without having been sold by the grower; or
    - (ii) by a collection agent on behalf of the grower; or
  - (c) the date of export in the case of tamarillos exported—
    - (i) by the grower; or
    - (ii) by a collection agent on behalf of the grower.
- (2) The latest date for payment of the levy is the 20th day of the month following the due date for payment.

**15 Additional levy payable if levy not paid in time**

- (a) 5% of the amount of the unpaid levy;
- (b) 2% of the amount of the unpaid levy (excluding additional levies owing under this clause) for each month that the amount is outstanding.
