### Explanatory note

*This note is not part of the regulations, but is intended to indicate their general effect.*

These regulations, which come into force on 5 July 2012, amend the Shipping (Charges) Regulations 2000 (the **principal regulations**) by substituting *new Schedule 2*, which prescribes charges payable to the Authority (Maritime New Zealand) for the issue of certificates, licences, permits, and endorsements under Maritime Rules and the Maritime Transport Act 1994.

*New Schedule 2* largely carries over the current schedule of charges with some changes. The changes include—

- prescribing new charges relating to the issue of an able seafarer certificate, able seafarer engine certificate, electrotechnical rating certificate, and electrotechnical officer certificate by the Authority under Part 32 of the Maritime Rules;
- omitting the current charge for an AB certificate issued under Part 32 of the Maritime Rules;
- omitting the column of charges relating to the 2008/09 year because these charges are now spent;
- adjusting the charges prescribed in the schedule to reflect the increase in goods and services tax (GST) that took effect from 1 October 2010 (previously section 78(3) of the Goods and Services Tax Act 1985 operated to automatically apply the increase in GST).

Regulation 6 of the principal regulations is consequentially amended to reflect the changes made by *new Schedule 2*.
