In this notice, **Dräger 7510NZ** has the same meaning as in clause 3 of the Land Transport (Breath Tests) Notice 2015.

4 Matters required to be stated in certificate of compliance for Dräger 7510NZ

If an evidential breath-testing device is a Dräger 7510NZ, a certificate of compliance for the device—

- (a) must specify—
 - (i) the maximum period of service for the device, as set out in clause 5; and
 - (ii) the date on which that period began or begins; and
- (b) must specify—
 - (i) the maximum period permitted between the date on which a certificate of compliance is issued and the date by which a test result must be obtained, as set out in clause 6; and
 - (ii) the date on which the certificate of compliance was issued; and
- (c) must include a statement to the effect that the device is being maintained within the manufacturer's specifications.

5 Maximum period of service for device

The period referred to in clause 4(a)(i) is 15 years.

6 Maximum period permitted between date on which certificate issued and date by which test result obtained

The period referred to in clause 4(b)(i) is 6 months.

Dated at Wellington this 3rd day of February 2015.

Hon Michael Woodhouse,
Minister of Police.
