7 Provisions relating to large processors

- (1) After the end of each financial year, the Director-General may determine—
 - (a) each large processor's milksolids collection for the previous financial year; and
 - (b) the total milksolids collected for the previous financial year from large processors.

 - (c) a person becomes a dairy processor of dairy material that is not RCS raw milk.
- (2) A processor to whom this regulation applies must pay the levy for a small or large processor, as the case may be, until the Director-General next determines each large processor's milksolids collection for the previous financial year and the total milksolids collected for the previous financial year from large processors.

- (5) If the ownership of a large processor changes, the new owner is liable to pay the processor's levy.
- (6) If a large processor ceases to be a collection agent during any year, the processor is liable to pay the levy for the period in that year up to and including the quarter in which the processor ceases to be a collection agent.

- (1) For the purposes of determining whether a processor is a large processor and of determining each large processor's milksolids collection for the previous financial year and the total milksolids collected for the previous financial year from all large processors, the Director-General may require DairyNZ Limited (or its successor) to provide him or her, by the end of August in each year, with—
- (a) data for the volume of milksolids collection of individual businesses for the previous financial year (by month, if available); and
- (b) the identity of the individual businesses.
- (2) A non-cow dairy processor who falls within the definition of a large processor must provide the Director-General with the processor's annual milksolids collection data for the previous financial year by the end of August in each year.

In calculating the amount of levy payable under the Schedule by a dairy exporter, the Director-General must consider the total dairy mass exported by that exporter in the previous financial year based on the data provided by the New Zealand Customs Service.

12 Provisions relating to large exporters

- (1) After the end of each financial year, the Director-General may determine—
 - (a) each large exporter's export mass of dairy products for the previous financial year; and

- (2) The Director-General may then invoice each exporter for the levy, indicating the exporter's export mass for the previous financial year and the total export mass for large exporters in the previous financial year.
- (3) A large exporter is liable to pay the levy for a small exporter if the application of the prescribed formula in the Schedule in that exporter's case produces an amount lower than the levy for a small exporter.

13 Effect of change in dairy mass exported, entering market, or change of business owner

- (1) This regulation applies if, during a financial year,—
 - (a) a small exporter's export mass of dairy products makes the exporter a large exporter; or
 - (b) a large exporter's export mass of dairy products makes the exporter a small exporter; or
 - (c) an exporter enters the market.
- (2) An exporter to whom this regulation applies must pay the levy for a small or large exporter, as the case may be, until the Director-General next determines each large exporter's export mass of dairy products for the previous financial year and the total dairy export mass from large exporters for the previous financial year.
- (3) For the purposes of subclause (2),—
 - (a) a small exporter who becomes a large exporter is liable to pay the levy for a small exporter:

 - (c) a new exporter is liable to pay the levy for a small exporter.
- (4) If the Director-General has some but not full export mass of dairy products data for the previous financial year, the Director-General may estimate the exporter's full-year export mass of dairy products data by interpolating the exporter's monthly data from the previous financial year.
- (5) If the ownership of a large exporter changes, the new owner is liable to pay the exporter's levy.
- (6) If a large exporter ceases to be an exporter during any year, the exporter is liable to pay the levy for the period in that year up to and including the quarter in which the exporter ceases to be an exporter.

14 Levy payable by new entrants

- (1) If a person becomes a registered exporter during a financial year, the exporter is liable to pay a proportionate share of the annual levy that includes payment for the quarter of the financial year in which the registration is approved.
- (2) A person who holds more than 1 exporter registration is liable only to pay 1 levy on registration.

Miscellaneous provisions

15 Director-General may grant exemption, waiver, or refund

- (1) The Director-General may grant an exemption from, or waive or refund, any fee, charge, or levy specified in these regulations, in whole or in part, in any particular case or class of case.
