Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the National Animal Identification and Tracing (Levies) Regulations 2012. The amendments come into force on 1 July 2015. The other regulations referred to in this note are the National Animal Identification and Tracing (Obligations and Exemptions) Regulations 2012 (the **exemption regulations**).

The amendments impose a levy on the owner of an animal whose PICA (person in day-to-day charge of the animal) has decided under regulation 17(2) of the exemption regulations that it is impracticable to fit a NAIT device to the animal (other than a fallow deer or trophy stag). The maximum rate for the levy is \$18.77 per animal (excluding GST) and applies in the period of 1 July 2015 to 30 June 2016 for cattle or 1 March 2016 to 30 June 2016 for deer.

Under section 64 of the National Animal Identification and Tracing Act 2012, these regulations will be deemed to have been revoked at the close of 30 June 2016 unless they have been confirmed by an Act of Parliament passed before then.

Issued under the authority of the Legislation Act 2012.
