The principal regulations prescribe overseas territories to be reportable jurisdictions for the purposes of the CRS applied standard—the *Common Standard on Reporting and Due Diligence for Financial Account Information* (which is part of the *Standard for Automatic Exchange of Financial Account Information in Tax Matters*)—as it applies in New Zealand. Reportable jurisdictions are territories to which the Inland Revenue Department (**IRD**) may provide certain information about non-residents that is reported to IRD by financial institutions in accordance with the CRS applied standard.

The 6 territories listed in *regulation 4* of these regulations are added as reportable jurisdictions for reporting periods beginning on or after 1 April 2019. Section 226D(2) of the Tax Administration Act 1994 allows for the retroactive application of these regulations.
