23. The amount to be levied by the Board in each year shall not exceed such amount as is required to provide for the payment of interest on the aggregate amount for which debentures shall at that time be issued, and in addition one pound per centum per annum on such aggregate amount to be appropriated for the purposes of the sinking fund hereinbefore mentioned, after taking into account whatever sum of money may be available from the revenue of the Board for the previous year for payment of interest and sinking fund on the loan hereby authorized to be made.

Proportions of rate.

24. Any such sum available from the revenue of the Board for the previous year shall be placed to the credit of the Board on a separate account, and the balance required for interest on the loan and the sinking fund shall then be levied in manner hereby provided.

27. The rateable value appearing in the assessment rolls under "The Property Assessment Act, 1879," and its amendments in force for the time being, as regards all real property in the district, shall be the rateable value of all such property for the purposes of this Act.

Property-tax assessment to be rateable value.

28. For the purpose of making, levying, and recovering the rates hereby authorized to be made and levied, the Board shall have and may exercise all the powers of making, levying, and recovering rates in the borough and each riding within the district which any local body having rating powers within such borough or riding shall or may have under the law for the time being in force regulating the recovery of the rates therein respectively.

Board to have powers of local bodies for levying rates.

29. When and so often as the Board shall fail to pay, at the proper time and place for so paying, either the principal sum secured by the debentures to be issued under this Act, or the coupons for interest payable thereon, then, immediately on default being made, any person to whom any such sum is owing may apply *ex parte*, by petition, in a summary way, to a Judge of the Supreme Court for relief under this Act; and the Judge may, if satisfied of the truth of the matters alleged in such petition, appoint, upon such terms as to security and remuneration as he shall think fit, a Receiver of the rate hereby authorized to be levied.

Creditor of Board secured on rate may apply to Supreme Court for appointment of Receiver.

30. From and after the date of such appointment, and upon its being advertised by publication in the *Gazette* and in the newspapers circulating in the district for such time as the said Judge shall order, the said rate shall vest in the Receiver, and shall cease to be vested in the Board.

Rate to vest in Receiver.

31. All powers vested in the Board for the making, levying, and recovering the said rate shall, after the appointment of the Receiver, and upon its being publicly notified in such manner as directed by the previous section of this Act, cease to be exercised by the Board, and shall be exercised by the Receiver.

Powers of Board exercisable by Receiver.

32. All moneys received by the Receiver shall be applied—

Moneys collected by Receiver, how applied.

- (1.) In payment of the costs of the application and order;
- (2.) In payment of the Receiver's remuneration to be fixed as aforesaid;
- (3.) In payment *pro rata* of the sums then overdue by the Board which are secured by the said rate;
- (4.) The residue (if any) to be paid to the Board:

And the Receiver shall account for all moneys received by him in such manner as the Judge shall direct.

33. When all sums overdue are paid, or at any time on the application of the Board, a Judge of the Supreme Court may order the powers of the Receiver to cease, and he shall thereupon pay over to the Board any moneys then in his hands, and the Board shall again be capable of exercising the powers of which the appointment of Receiver had deprived them.

When Receiver's powers cease.

34. The debentures to be issued under this Act and the interest thereon shall be a first charge on the rates hereby authorized to be levied and on the revenue of the Board, subject, however, with regard to such revenue, to the priority of all existing charges thereon, whether by way of debentures or otherwise.
