**MOST GRACIOUS SOVEREIGN—We, Your Majesty’s most dutiful and loyal subjects, the House of Representatives of New Zealand in Parliament assembled, towards making good the supply which we have cheerfully granted to Your Majesty in this session of Parliament, have resolved to grant unto Your Majesty the sums hereinafter mentioned, and do therefore most humbly beseech Your Majesty that it may be enacted: And be it enacted by the General Assembly of New Zealand in this present Parliament assembled, and by the authority of the same, as follows:—**

**1 Short Title.**

The Short Title of this Act is “The Appropriation Act, 1890.”

*GRANTS OUT OF THE PUBLIC ACCOUNT*

**2 Grant of £1,211,558, and fees.**

The Colonial Treasurer may issue out of the Consolidated Fund, and apply towards making good the supplies granted to Her Majesty for the services of the year ending on the thirty-first day of March, one thousand eight hundred and ninety-one, the sum of one million two hundred and eleven thousand five hundred and fifty-eight pounds, together with the amount of the fees hereinafter mentioned.

*APPROPRIATION OF GRANTS***3 Appropriation of £2,076,799 out of Consolidated Fund and fees.**

All sums granted by this Act and the other Acts mentioned in Schedule A annexed hereto out of the Consolidated Fund, amounting, as appears by the said Schedule A, to two millions and seventy-six thousand seven hundred and ninety-nine pounds, together with the fees collected by such public officers as are authorised to retain the same in lieu of salary, are appropriated for the purposes and services expressed in the several votes in the Schedule B annexed hereto.

**4 Provision for salaries, &c., in Public Trust Office, £8,295.**

And whereas by the eleventh section of “The Public Trust Office Act, 1872,” it is enacted that the salary of the Public Trustee and of the other officers and servants in the Public Trust Office shall be such as shall be fixed by the General Assembly: Be it enacted that the said salaries, and contingencies, for the year ending the thirty-first day of March, one thousand eight hundred and ninety-one, shall be for the amounts set forth in Schedule C annexed hereto, not exceeding in the whole the sum of eight thousand two hundred and ninety-five pounds.

**5 Provision for salaries, &c., in Insurance Department, £44,059.**

And whereas by the thirty-ninth section of “The Government Insurance and Annuities Act, 1874,” and the fourth section of “The Government Life Insurance Act, 1886,” re-enacting the same, it is provided that the salary of the Commissioner and other officers and other contingent expenses shall be paid out of moneys from time to time appropriated from the Government Insurance Account for the purpose by the General Assembly: Be it enacted, the said salaries and expenses for the period ending the thirty-first day of March, one thousand eight hundred and ninety-one, shall be for the amounts set forth in the Schedule D annexed hereto, not exceeding in the whole the sum of forty-four thousand and fifty-nine pounds.

**6 Government Insurance Department and Public Trust Office may make payments out of “Unauthorised.”**

Whenever it becomes necessary that money should be expended on account of the Government Insurance Department or of the Public Trust Office in excess of or without the appropriation of Parliament, the Government Insurance Commissioner or the Public Trustee, or either of them, may, with the sanction of the Colonial Treasurer, but not otherwise, pay such money in excess of or without the appropriation of Parliament; and such expenditure shall be charged to the Unauthorised Expenditure Account, and a statement thereof, certified by the Controller and Auditor-General, shall be laid before Parliament within ten days after the then next meeting thereof.

**7 Authority to issue moneys payable under agreements validated by “The Auckland Gold Fields Proclamations Validation Act, 1869.”**

The Colonial Treasurer is hereby authorised to issue and pay out of the Consolidated Fund all moneys lawfully payable to any Natives under and by virtue of the agreements validated by “The Auckland Gold Fields Proclamations Validation Act, 1869,” or to any persons lawfully entitled to the lands from which the revenues accrue in virtue of any such agreement.

**8 Subsidies to be paid to local bodies.**

There shall be issued and paid by the Colonial Treasurer out of the Consolidated Fund to the Council or Board of each county, road district, town district, and borough, in respect of the general rates described in the Schedule to “The Local Bodies’ Finance and Powers Act, 1885” (in this section referred to as “the said Act”), levied for the year ending the thirty-first day of March, one thousand eight hundred and ninety-one, and actually collected on or before the thirtieth day of June ensuing next after the said thirty-first day of March, one-fourth of the amounts to which they would be entitled under the plan of distribution described in the Schedule to the said Act:

Provided that seventy-five per centum, and no more, of the amount which it is estimated by the Property-tax Commissioner may become payable to any local body may be advanced to such local body within the year ending the thirty-first day of March, one thousand eight hundred and ninety-one:

Provided also that on receipt by the Property-tax Commissioner of returns, duly verified by the declaration of the Chairman or Treasurer of a local body, showing the amount of the rates aforesaid actually collected to the thirtieth day of June, one thousand eight hundred and ninety-one, the amount of subsidy found to be payable in respect of such rates, less the amount (if any) advanced as aforesaid, shall be paid to such local body; and any sum advanced in excess of the amount so found to be payable shall be repaid by the local body to the Public Account or be recovered by the Colonial Treasurer out of any moneys payable to such local body.

In case any doubt arises as to the several payments to be made under this section and the Schedule to the said Act, or as to payments to be made in respect of newly-formed districts wherein the Board has not had sufficient time to levy and collect rates, the Governor in Council may authoritatively decide the amounts of such payments.

**9 Indemnity.**

And whereas the Colonial Treasurer has, under the authority of section forty-four of “The Public Revenues Act, 1878,” issued during the twelve months ended the thirty-first day of March, one thousand eight hundred and ninety, in excess of or without the appropriation of Parliament, the sum of sixty-three thousand nine hundred and eighty-nine pounds eight shillings and threepence

from the Consolidated Fund, and a further sum of seven thousand three hundred and eight pounds twelve shillings and tenpence from the Government Insurance Account, and a further sum of two pounds twelve shillings and threepence from the Public Trust Office Expenses Account, and has discharged from the accounts the sum of eleven pounds five shillings and threepence due to but irrecoverable by the Crown, and has caused the said sums to be applied to the several purposes and services mentioned in the Schedule E hereto annexed: Be it enacted that the application and discharge of the said sums are hereby sanctioned.

**10 Certain advances made out of the Consolidated Fund to be sanctioned.**

Whereas certain moneys, amounting in the whole to the sum of five thousand nine hundred and twenty-two pounds, have been issued and paid out of the Public Account, during the present financial year, to the Greymouth Harbour Board and to other local governing bodies mentioned in Schedule F to this Act, by way of advances, to be repaid to the Consolidated Fund: Be it therefore enacted that the issue of the said moneys is hereby sanctioned, and the same shall be recovered out of the first moneys accruing or payable to such local governing bodies, and may be deducted or recovered by the Colonial Treasurer accordingly.

**11 Moneys payable for roads or other public works may be paid over to local bodies.**

The moneys payable under this Act for roads or other public works may be paid over to such local governing bodies as the Minister for Public Works or other Minister may determine, upon such terms and conditions as shall be agreed upon between the said Public Works or other Minister and any such local governing body; and the Colonial Treasurer shall make all such payments in accordance with any such agreement.

**12 Provision for charges or expenses incurred by local governing bodies.**

The Colonial Treasurer is hereby authorised to issue and pay out of the Consolidated Fund, by way of temporary advance, any sum or sums, not exceeding one thousand pounds in the whole, for the purpose of defraying any charges or expenses incurred by or on behalf of any local governing body.

All such advances shall be repaid to the Consolidated Fund out of the first moneys thereafter, accruing to such local governing body, and may be deducted or recovered by the Colonial Treasurer accordingly.

For the purposes of this section the expression "local governing body" means a County Council, Borough Council, Town Board, Road Board, River Board, and an Education Board, and includes any other body or persons however designated to whom any moneys are paid or payable out of the Consolidated Fund.

**13 Extended appropriations not to have effect unless Parliament is summoned.**

Notwithstanding anything to the contrary contained in the ninth section of “The Public Revenues Act, 1882,” as amended by the third section of “The Public Revenues Act 1882 Amendment Act, 1883,” it shall not be lawful for the Controller and Auditor General to issue, or for the Colonial Treasurer to pay, any moneys out of the Public Account after the thirty-first day of March, one thousand eight hundred and ninety-one, except moneys permanently appropriated by any Act of the General Assembly, unless and until a Proclamation shall first have been issued by the Governor summoning the Legislative Councillors of the Colony of New Zealand and the Members elected to serve in the House of Representatives of the said colony to meet for the despatch of business on or before the ninth day of April, in the year one thousand eight hundred and ninety-one.
