Preamble

Whereas the lands described in the Schedule and known as the Wairarapa Cadet Training Farm and certain livestock were in the year 1918 conveyed as a gift to the Crown by certain residents of the Wairarapa district to be held upon the following trusts:

- (a) as a demonstration farm to provide in a practical and efficient manner an object lesson to learners and to farmers in sound, practical, modern profit-earning farming practice, nothing to be done either in the shape of erection of farm buildings or farming methods which is not within the capacity, financially, of the ordinary farmer:
- (b) as a place for accommodating returned soldiers desirous of learning good farming methods and giving them all facilities for doing so:
- (c) as a place for training youths in modern practical farming practice:
- (d) for furthering the advancement of practical farming methods generally, thereby assisting to stimulate increased production:

And whereas the training centre and the stock and implements thereon and other personal property have been and are being administered on behalf of the Crown by a committee of trustees in accordance with the terms of the trust:

And whereas a plan of development has been prepared in respect of the training centre in order to increase its productivity, to upgrade its facilities, and to improve the finances of the farming and training programmes, which plan will require the provision of additional finance:

And whereas it is desirable that for this purpose the committee of trustees be incorporated and the training centre and the personal property subject to the trusts be vested in the corporate body.
