An Act to authorise the levying of persons engaged in heavy engineering manufacture and related industries to provide funds for research into heavy engineering

1 Short Title and commencement

- (1) This Act may be cited as the Heavy Engineering Research Levy Act 1978.
- (2) This Act shall come into force on 1 April 1979.

2 Interpretation

In this Act, unless the context otherwise requires,—

Association means the New Zealand Heavy Engineering Research Association (Incorporated)

chief executive means the chief executive of the Ministry (within the meaning of the Research, Science, and Technology Act 2010)

Customs or the Customs has the meaning given to Customs by section 5(1) of the Customs and Excise Act 2018

fabricate means to use any levied item to make machines, equipment, or structures in which the original form of the levied item is substantially modified; and **fabrication** has a corresponding meaning

financial year means the period of 12 months ending with 31 March in any year

heavy engineering means that branch of engineering—

- (a) which characteristically but not exclusively uses as its raw material ferrous or non-ferrous metals in the form of plate having a thickness greater than 4.5 mm or in the form of angles, shapes, and sections exceeding 80 mm by 80 mm in cross-section; or
- (b) which is engaged in the machining of components or items large enough to require cranes to present or locate the workpiece to or in a machine tool being used in the fabrication of machines, equipment, or structures,—

and which typically produces items of the kind described in Schedule 1

importer has the same meaning as in section 5(1) of the Customs and Excise Act 2018

levied items means those goods specified and described in Schedule 2 or Schedule 3 and subjected to a research levy

Minister means, subject to any enactment, the Minister of the Crown who, under the authority of any warrant or with the authority of the Prime Minister, is for the time being responsible for the administration of this Act

produce means to manufacture any levied item; and includes the making of any levied item in the form of sheet from coiled material

research levy means the levy imposed under section 4

Tariff has the meaning given to it by section 2(1) of the Tariff Act 1988.

Section 2 **chief executive**: inserted, on 2 August 1990, by section 14(1) of the Foundation for Research, Science, and Technology Act 1990 (1990 No 72).

Section 2 **chief executive**: amended, on 1 February 2011, by section 18 of the Research, Science, and Technology Act 2010 (2010 No 131).

Section 2 **Collector of Customs**: repealed, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

Section 2 **Customs** or **the Customs**: inserted, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

Section 2 **Customs** or **the Customs**: amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

Section 2 **Director-General**: repealed, on 2 August 1990, by section 14(1) of the Foundation for Research, Science, and Technology Act 1990 (1990 No 72).

Section 2 **importer**: amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

Section 2 **levied items**: amended, on 6 November 1986, by section 2 of the Heavy Engineering Research Levy Amendment Act 1986 (1986 No 89).

Section 2 **Minister**: substituted, on 2 August 1990, by section 14(1) of the Foundation for Research, Science, and Technology Act 1990 (1990 No 72).

Section 2 **Tariff**: added, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

3 Act to bind the Crown

This Act shall bind the Crown.

Heavy engineering research levy

4 Heavy engineering research levy imposed

- (1) There is hereby imposed and shall be paid in accordance with this Act a levy on all goods comprising those items of the Tariff that are specified in Schedule 2 and Schedule 3.
- (2) The person liable to pay the levy on any levied items shall be the person who is the importer of any levied item into New Zealand or who produces any levied item within New Zealand.
- (3) Notwithstanding subsection (1) or subsection (2), any levied item produced either wholly or in part from any other levied item, being a levied item on which a research levy has already been paid, shall, to the extent of that research levy already paid, be exempt from the payment of research levy.
- (4) The Governor-General may from time to time, by Order in Council,—
 - (a) amend Schedule 2 or Schedule 3; and
 - (b) omit from Schedule 2 or Schedule 3 any item of the Tariff that is specified in Schedule 2 or Schedule 3—

as will accord with any amendments made to the Tariff.

Section 4(1): substituted, on 2 September 1996, by section 2(1) of the Heavy Engineering Research Levy Amendment Act 1996 (1996 No 128).

Section 4(4): substituted, on 2 September 1996, by section 2(2) of the Heavy Engineering Research Levy Amendment Act 1996 (1996 No 128).

5 Minister may prescribe rates of research levy

- (1) Subject to this Act, the Minister may from time to time, on the recommendation of the Association, and after consultation with The New Zealand Manufacturers and Exporters Association Incorporated, prescribe, by notice in the *Gazette*, rates of research levy payable on any levied items.
- (2) The prescribed rates shall not,—
 - (a) in the case of levied items specified in Schedule 2, exceed \$20 for each tonne of goods upon which the levy is imposed apportioned rateably in respect of goods weighing less than 1 tonne; and
 - (b) in the case of levied items specified in Schedule 3, exceed 10 cents for each kilogram of goods upon which the levy is imposed apportioned rateably in respect of goods weighing less than 1 kilogram.
- (3) The rates of research levy shall be published in the *Gazette* at least 28 days before they are to come into force.

- (4) The Minister may at any time, in like manner, vary or revoke any notice made under subsection (1)

Section 5(1): amended, on 26 March 2015, by section 4 of the Heavy Engineering Research Levy Amendment Act 2015 (2015 No 15).

Section 5(2): substituted, on 6 November 1986, by section 4 of the Heavy Engineering Research Levy Amendment Act 1986 (1986 No 89).

Section 5(2)(a): amended, on 12 December 2012, by section 4(1) of the Heavy Engineering Research Levy Amendment Act 2012 (2012 No 104).

Section 5(2)(b): amended, on 12 December 2012, by section 4(2) of the Heavy Engineering Research Levy Amendment Act 2012 (2012 No 104).

6 Recovery and collection

- (1) All research levies imposed under this Act shall be recoverable in any court of competent jurisdiction as a debt due to the Association.
- (2) Research levies imposed on levied items produced within New Zealand shall be payable by the producer directly to the Association within such period after the items were produced as may be specified by the Association.
- (3) Research levies imposed on any levied item imported into New Zealand shall be payable on demand by the Customs in addition to duties (if any) payable to the Customs under any other enactment, and shall be payable as if the levies were duty under the Customs and Excise Act 2018.

Section 6(3): substituted, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

Section 6(3): amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

7 Association may require information and returns

- (1) The Association may require any person who produces within New Zealand any levied item to provide the Association with such information in writing or make such return relating to that person's manufacturing operations as may be necessary to enable the Association to assess the amount of levy due; and all such information or every such return may be verified by statutory declaration or by such other means as the Association thinks fit.
- (2) Subject to subsection (3), no person shall disclose otherwise than to the board of the Association, or any officer or employee of the Association, any information provided pursuant to subsection (1) without the consent of the producer from whom the information was obtained.
- (3) Subsection (2) shall not apply—
- (a) to the disclosure of information in the form of a summary of information which is so framed as not to enable particulars relating to any particular business to be ascertained from it; or
 - (b) to any disclosure of information made for the purpose of any legal proceedings pursuant to this Act or the Customs and Excise Act 2018, or for the purposes of any report of any such proceedings.

- (4) The provision of any information or the making of any return under this section shall not constitute a condition precedent to the right of the Association to assess, sue for, and recover any research levy payable under this Act.

Section 7(3)(b): amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

8 Powers of Customs

- (1) The powers and authorities of the Customs under the Customs and Excise Act 2018 shall, with all necessary modifications, apply in the same manner to the collection of a research levy under this Act as they apply to the collection of duty under that Act.
- (2) Without limiting subsection (1) of this section and notwithstanding section 6(1) of this Act, sections 74, 100, 122, 123, 129 to 131, 133, and 134 of the Customs and Excise Act 2018 shall apply in respect of any research levy required to be collected by the Customs as if it were duty to be collected under that Act.

Section 8: substituted, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

Section 8(1): amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

Section 8(2): amended, on 1 October 2018, by section 443(3) of the Customs and Excise Act 2018 (2018 No 4).

9 All research levies collected to be paid to Association

Subject to section 10, all research levies received under this Act by the Customs shall be paid to the Association by the Customs.

Section 9: amended, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

10 Crown may be reimbursed for collection of research levies

For the purpose of reimbursing the Crown for any expenses incurred by the Customs in collecting any research levy under this Act, the Customs may retain such percentage of every levy collected by him as may be determined by the Minister of Finance after consultation with the Association.

Section 10: amended, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

11 Refunds

- (1) Notwithstanding section 9, in any case where a research levy has been paid to or collected by the Customs in error or in excess of the amount properly payable, the Customs may refund the amount of such levy paid or collected in error or, as the case may be, the amount of the excess, to the person by whom the levy was paid from money in the Customs' hands which would otherwise be payable to the Association.
- (2) In any case where the Association is satisfied that any person who has paid a research levy is not engaged in heavy engineering or has paid a research levy in

error or in excess of the amount properly payable, it may refund to that person the amount of research levy which has been so paid.

- (3) In any case where the Minister is satisfied that, having regard to the purposes of this Act, it would be inequitable for a research levy to be paid by any particular person or in respect of any particular levied items, he may authorise the Association to remit or refund any research levy payable by that person or in respect of those levied items.

Section 11(1): amended, on 1 October 1996, by section 289(1) of the Customs and Excise Act 1996 (1996 No 27).

12 Expenditure of research levy

- (1) The money received by the Association from any research levy shall be used by the Association for the purposes of promoting and conducting research and other scientific work into or relating to the heavy engineering industry.
- (2) Without limiting the generality of subsection (1), the money collected by way of research levy may be used by the Association for all or any of the following purposes:
- (a) the establishment and equipment of laboratories for the purpose of facilitating heavy engineering research:
 - (b) the carrying out of tests and experiments on materials used in the heavy engineering industry:
 - (c) the carrying out of experiments to discover improved techniques for use in the heavy engineering industry:
 - (d) the establishment and maintenance of a library relating to heavy engineering techniques and materials:
 - (e) the encouragement of the study of heavy engineering research and related matters:
 - (f) the allocation of grants to any person, institution, or body conducting research into or relating to techniques or materials used in the heavy engineering industry in New Zealand:
 - (g) the holding of lectures, seminars, exhibitions, or public meetings for the purpose of disseminating information relating to developments in the field of heavy engineering research:
 - (h) the publication from time to time of information relating to the activities of the Association and to any developments in the field of heavy engineering research:
 - (i) the provision of general advisory services to or on behalf of members relating to heavy engineering techniques and materials:
 - (j) the acquisition of land and premises (whether by purchase, lease, or otherwise) for the purposes of the Association:

- (k) the erection of premises for the purposes of the Association, and the maintenance, alteration, repair, decoration, or improvement of the Association's premises:
- (l) the acquisition of patents and licences relating to heavy engineering techniques and materials:
- (m) the refunding of any research levy paid in error or excess:
- (n) the payment of honoraria to officers of the Association, the payment of salaries, wages, and superannuation benefits to its employees, and the payment of travelling and accommodation expenses to or in respect of any of them in connection with the carrying out of their duties:
- (o) the payment of expenses incurred in connection with—
 - (i) the day to day administration of the Association:
 - (ii) meetings of persons conducting the affairs of the Association, or meetings of any committee appointed by the Association.

Section 12(1): amended, on 2 September 1996, by section 3(1) of the Heavy Engineering Research Levy Amendment Act 1996 (1996 No 128).

Section 12(2): amended, on 2 September 1996, by section 3(2) of the Heavy Engineering Research Levy Amendment Act 1996 (1996 No 128).

Membership of Association

13 Membership of Association

- (1) Notwithstanding anything to the contrary in the rules of the Association, but subject to subsection (3), every person engaged in heavy engineering and using goods subject to a levy under this Act shall be entitled, by virtue of that fact and without payment of any membership or other fee, to become an associate member of the Association on his making written application to the Association for the purpose.
- (2) Every person who is an associate member of the Association shall, subject to his fulfilling his obligations as an associate member, be entitled to all the benefits of the Association conferred on associate members by its rules, but shall not have any right to exercise a vote at any general meeting of the association.
- (3) Every person who is entitled pursuant to subsection (1) to become an associate member of the Association, and who agrees to pay an annual subscription as determined by the executive of the Association, shall be entitled to become, or to continue to be, an ordinary member of the Association having the right to vote at any general meeting of the Association.
- (4) Nothing in this section shall preclude the Association from admitting to membership in accordance with its rules any person other than one who is entitled to be an associate member of the Association by virtue of subsection (1) or an ordinary member of the Association by virtue of subsection (3).

Financial provisions

14 Annual accounts, etc

- (1) The Association shall at all times ensure that full and correct records of all its financial transactions, assets, liabilities, and funds are kept.
- (2) The Association shall appoint some fit person to act as its secretary, and to keep all records and books of account.
- (3) At the end of each financial year, the Association shall prepare an income and expenditure account showing its financial transactions for that year, together with a statement of financial position as at the last day of that year. Every such statement of financial position shall give a true and fair view of the state of affairs of the Association as at the end of its financial year, and every such income and expenditure account shall give a true and fair view of the income and expenditure for that year.
- (4) The Association shall cause the accounts prepared under subsection (3) to be audited, but no person who is an officer, employee, or member of the Association shall be capable of being appointed auditor for this purpose.

Section 14(3): amended, on 1 October 1997, pursuant to section 6(1) of the Financial Reporting Amendment Act 1997 (1997 No 17).

15 Copy of accounts to be sent to Minister and members

- (1) The Association shall, within 3 months after the expiration of each financial year or within such extended period as the Minister may allow, provide the Minister and the chief executive with a report on its proceedings and activities during that financial year. There shall be annexed to the report copies of the income and expenditure account and statement of financial position of the Association together with a copy of the report of the auditor or auditors on them.
- (2) The Minister shall, as soon as practicable after its receipt by him, lay before Parliament a copy of the report sent to him under subsection (1) (together with a copy of the Association's income and expenditure account and statement of financial position for the year to which the report relates).
- (3) Within 3 months after the expiration of its financial year, the Association shall send to each of its members a copy of the report sent to the Minister under subsection (1), together with a copy of its income and expenditure account and statement of financial position for that year and a copy of the report of the auditor or auditors on them.
- (4) Nothing in this section shall limit the application of the Incorporated Societies Act 1908 to the Association.

Section 15(1): amended, on 1 October 1997, pursuant to section 6(1) of the Financial Reporting Amendment Act 1997 (1997 No 17).

Section 15(1): amended, on 2 August 1990, by section 14(1) of the Foundation for Research, Science, and Technology Act 1990 (1990 No 72).

Section 15(2): amended, on 1 October 1997, pursuant to section 6(1) of the Financial Reporting Amendment Act 1997 (1997 No 17).

Section 15(3): amended, on 1 October 1997, pursuant to section 6(1) of the Financial Reporting Amendment Act 1997 (1997 No 17).

16 Copy of rules to be sent to Minister

If so required by the Minister, the Association shall, within such reasonable time as the Minister may specify, send him a copy of its rules, together with any amendments to them. Any such copy shall be duly certified by the Registrar of Incorporated Societies as being the registered rules of the Association.

17 Financial provisions to apply notwithstanding anything to the contrary in Association's rules

The provisions of sections 14 to 16 shall apply to the Association notwithstanding anything to the contrary in its rules.

Offences and penalties

18 Offences and penalties

- (1) Every person commits an offence, and is liable on conviction to a fine not exceeding \$250 or, in the case of a second or subsequent conviction for a similar offence, \$500, who without reasonable excuse fails to provide any information or deliver any return as and when required by the Association pursuant to any provision of this Act.
- (2) Every person commits an offence, and is liable on conviction to a fine not exceeding \$500, who—
 - (a) provides any information or makes any return pursuant to this Act which to his knowledge is false in any material particular:
 - (b) fraudulently avoids or attempts to avoid paying any research levy payable by him pursuant to this Act:
 - (c) wilfully or recklessly discloses any information in contravention of section 7.
- (3) Where an offence under this section committed by a body corporate is proved to have been committed with the consent or connivance of, or to be attributable to any neglect on the part of, any director, manager, secretary, or other similar officer of the body corporate, or any person who was purporting to act in any such capacity, he, as well as the body corporate, shall be liable to be proceeded against for the offence and punished accordingly.

Section 18(1): amended, on 1 July 2013, by section 413 of the Criminal Procedure Act 2011 (2011 No 81).

Section 18(2): amended, on 1 July 2013, by section 413 of the Criminal Procedure Act 2011 (2011 No 81).

19 Offences by officers of Association

- (1) Every officer of the Association commits an offence, and is liable on conviction to a fine not exceeding \$500, who—
 - (a) fails, without reasonable excuse, to take all reasonable steps to secure compliance by the Association with any requirement imposed on it by this Act; or
 - (b) wilfully does any act in contravention of the provisions of this Act, or, in any case where the Association contravenes any such provisions, connives at the contravention.
- (2) For the purposes of this section, the term **officer** means any member of the board of the Association and any paid secretary of it.

Section 19(1): amended, on 1 July 2013, by section 413 of the Criminal Procedure Act 2011 (2011 No 81).

Schedule 1
Typical items produced by the heavy engineering industry

s 2

- 1 Steel fabrication for hydroelectric projects, being penstocks, gates, and lifting gear.
- 2 Steel fabrication for buildings, bridges, and towers.
- 3 Storage tanks and containers, such as grain silos, and cement and petrol storage tanks.
- 4 Pressure vessels.
- 5 Firetube boilers and ancillary equipment.
- 6 Process machinery, such as cheese-making equipment, drying plants, heat exchangers, vats and vessels, and brewing plant.
- 7 Metalworking machinery, such as hydraulic guillotines, press brakes, and roll-formers.
- 8 Sawmilling and log-handling equipment.
- 9 Cranes, hoists, forklift trucks, rail wagons, and transporters.
- 10 Construction and mining equipment, such as crushing plant, concrete mixers, and loader buckets.
- 11 Equipment used in the energy industry, in fertiliser manufacture, and in pulp and paper manufacture.
- 12 Ships.

Reprints notes

1 *General*

This is a reprint of the Heavy Engineering Research Levy Act 1978 that incorporates all the amendments to that Act as at the date of the last amendment to it.

2 *Legal status*

Reprints are presumed to correctly state, as at the date of the reprint, the law enacted by the principal enactment and by any amendments to that enactment. Section 18 of the Legislation Act 2012 provides that this reprint, published in electronic form, has the status of an official version under section 17 of that Act. A printed version of the reprint produced directly from this official electronic version also has official status.

3 *Editorial and format changes*

Editorial and format changes to reprints are made using the powers under sections 24 to 26 of the Legislation Act 2012. See also <http://www.pco.parliament.govt.nz/editorial-conventions/>.
