Preliminary provisions

3 Purpose

The purpose of this Act is to acknowledge that it is a privilege for overseas persons to own or control sensitive New Zealand assets by—

 - (ii) subpart 2 sets out the procedure for obtaining consent and imposing conditions of consent:
 - (iii) subpart 3 describes the role of the person (the regulator) who administers the regime:

Part 2

Consent and conditions regime

Subpart 1—When consent required and criteria for consent

When consent required

10 Consent required for overseas investments in sensitive New Zealand assets

- (1) A transaction requires consent under this Act if it will result in—
 - (a) an overseas investment in sensitive land (*see* section 12);
 - (b) an overseas investment in significant business assets (*see* section 13).
- (2) *See* also sections 56 to 58B of the Fisheries Act 1996, which require consent for a transaction that will result in an overseas investment in fishing quota.

11 Consent must be obtained before overseas investment given effect

- (1) Consent must be obtained for a transaction before the overseas investment is given effect under the transaction.
- (2) The procedure for obtaining consent (including who must obtain consent) is set out in subpart 2.

What are overseas investments in sensitive New Zealand assets

12 What are overseas investments in sensitive land

An **overseas investment in sensitive land** is the acquisition by an overseas person, or an associate of an overseas person, of—

- (a) an interest in land if—
 - (i) the land is sensitive under Part 1 of Schedule 1; and
 - (ii) the interest acquired is a freehold estate or a lease, or any other interest, for a term of 3 years or more (including rights of renewal, whether of the grantor or grantee), and is not an exempted interest; or
- (b) rights or interests in securities of a person (**A**) if A owns or controls (directly or indirectly) an interest in land described in paragraph (a) and, as a result of the acquisition,—
 - (i) the overseas person or the associate (either alone or together with its associates) has a 25% or more ownership or control interest in A; or
 - (ii) the overseas person or the associate (either alone or together with its associates) has an increase in an existing 25% or more ownership or control interest in A; or
 - (iii) A becomes an overseas person.

13 What are overseas investments in significant business assets

- (1) An overseas investment in significant business assets is—
- (a) the acquisition by an overseas person, or an associate of an overseas person, of rights or interests in securities of a person (A) if—
 - (i) as a result of the acquisition, the overseas person or the associate (either alone or together with its associates) has a 25% or more ownership or control interest in A or an increase in an existing 25% or more ownership or control interest in A; and
 - (ii) the value of the securities or consideration provided, or the value of the assets of A or A and its 25% or more subsidiaries, exceeds \$100 million; or
 - (b) the establishment by an overseas person, or an associate of an overseas person, of a business in New Zealand (either alone or with any other person) if—
 - (i) the business is carried on for more than 90 days in any year (whether consecutively or in aggregate); and
 - (ii) the total expenditure expected to be incurred, before commencing the business, in establishing that business exceeds \$100 million; or
 - (c) the acquisition by an overseas person, or an associate of an overseas person, of property (including goodwill and other intangible assets) in New Zealand used in carrying on business in New Zealand (whether by 1 transaction or a series of related or linked transactions) if the total value of consideration provided exceeds \$100 million.
- (2) However, an overseas person that was lawfully carrying on business in New Zealand on 15 January 1996 (which was when the Overseas Investment Regulations 1995 came into force) does not require consent for an overseas investment in significant business assets described in subsection (1)(b) if the investment requires consent only because it comes within that paragraph.

Criteria for consent

14 Approach to criteria for consent

- (1) The relevant Minister or Ministers, in considering whether or not to grant consent to an overseas investment transaction,—
- (a) must have regard to only the criteria and factors that apply to the relevant category of overseas investment under this subpart (subject to this section); and
 - (b) may consult with any other person or persons, as the Minister or Ministers think appropriate; and

- (c) must grant consent if satisfied that all of the criteria in section 16 or section 18 (as the case may be) are met; and
 - (d) must decline to grant consent if not satisfied that all of the criteria in section 16 or section 18 are met.
- (2) For a transaction that is in more than 1 category of overseas investment, the relevant Ministers must have regard to the criteria that apply to all of the relevant categories.
- (3) However, if the criteria are the same, the relevant Ministers only need to consider the same criteria once (and not consider them under each relevant category).

15 Who are relevant overseas persons, and individuals with control, for overseas investments

- (1) The relevant Minister or Ministers may determine which 1 or more of the following persons is the **relevant overseas person** for an overseas investment:
- (a) the person making the overseas investment (**A**), whether A is an overseas person or an associate of an overseas person:
 - (b) any associate of A in relation to the overseas investment.
- (2) The relevant Minister or Ministers may determine which 1 or more of the following categories of persons are the **individuals with control of the relevant overseas person** for an overseas investment:
- (a) the individual or individuals who each have a 25% or more ownership or control interest in the relevant overseas person:
 - (b) the member or members of the governing body of the relevant overseas person:
 - (c) the individual or body of individuals who the Minister or Ministers consider to have that control (whether directly or indirectly).

16 Criteria for consent for overseas investments in sensitive land

- (1) The criteria for an overseas investment in sensitive land are all of the following:
- (a) the relevant overseas person has, or (if that person is not an individual) the individuals with control of the relevant overseas person collectively have, business experience and acumen relevant to that overseas investment:
 - (b) the relevant overseas person has demonstrated financial commitment to the overseas investment:
 - (c) the relevant overseas person is, or (if that person is not an individual) all the individuals with control of the relevant overseas person are, of good character:

- (d) the relevant overseas person is not, or (if that person is not an individual) each individual with control of the relevant overseas person is not, an individual of a kind referred to in section 15 or 16 of the Immigration Act 2009 (which sections list certain persons not eligible for visas or entry permission under that Act):
 - (e) either subparagraph (i) is met or subparagraph (ii) and (if applicable) subparagraph (iii) are met:
 - (i) the relevant overseas person is, or (if that person is not an individual) all the individuals with control of the relevant overseas person are, New Zealand citizens, ordinarily resident in New Zealand, or intending to reside in New Zealand indefinitely:
 - (ii) the overseas investment will, or is likely to, benefit New Zealand (or any part of it or group of New Zealanders), as determined by the relevant Ministers under section 17:
