- (1) Every licensed insurer must—
 - (a) be subject to a written policy that governs the qualifications, requirements, and other criteria that a person must have or satisfy in order to be appointed, and to continue to hold a position, as a director or relevant officer of the insurer, being a policy for the purpose of ensuring that only fit and proper persons are appointed to, and continue to hold, those positions (a **fit and proper policy**); and

- (2) However, if the group policy does not comply with the requirements of section 34(1) to (4) in any respect, the licensed insurer must prepare a supplementary document that, when taken together with the group policy, ensures that the requirements of section 34(1) to (4) are complied with (in which case the insurer's fit and proper policy must be taken to be the group policy together with the supplementary document).

- (2) If an Order in Council is made under subsection (1),—

 - (b) the appointment of a statutory manager for the specified period in respect of the licensed insurer also applies to those subsidiaries.
- (3) If a licensed insurer acquires a subsidiary after it has been declared to be subject to statutory management under subsection (1), the subsidiary is not subject to statutory management unless a further Order in Council is made declaring the subsidiary to be subject to statutory management.
- (4) Subsections (1)(b) and (2) are subject to section 139J(4) of the Reserve Bank of New Zealand Act 1989.

Section 170(4): inserted, on 10 December 2013, by section 12 of the Reserve Bank of New Zealand (Covered Bonds) Amendment Act 2013 (2013 No 103).

171 Statutory management of overseas persons

If a licensed insurer or an associated person of a licensed insurer that is declared to be subject to statutory management, or a subsidiary of a licensed insurer that becomes subject to statutory management under section 170(2) or (3), is an overseas person, the provisions of this subpart apply to the property, rights, assets, and liabilities relating to its New Zealand business.

172 Date and time of appointment

- (1) Every Order in Council made under section 170(1) must specify the date on which, and the time at which, the Order in Council comes into force.
- (2) The date and time as specified must not be earlier than the date on which, and the time at which, the Order in Council is made.
- (3) If a question arises as to whether, on the date on which a statutory manager was appointed, an act was done or a transaction was entered into or effected before or after the appointment, the act or transaction must, in the absence of proof to the contrary, be treated as having been done, entered into, or effected, as the case may be, after the appointment of the statutory manager.

173 Grounds on which licensed insurer may be declared to be subject to statutory management

- (1) The Bank may make a recommendation under section 170 in respect of a licensed insurer only if it is satisfied on reasonable grounds that—

- (a) 1 or more of the circumstances specified in section 143(1)(a) to (f) apply and the failure of the insurer may cause significant damage to the financial system or the economy of New Zealand (or both); or
 - (b) the insurer is, or may be, operating fraudulently or recklessly, and that it is desirable that the insurer be declared to be subject to statutory management for the purpose of—
 - (i) limiting or preventing the risk of further deterioration of the financial affairs of the insurer; or
 - (ii) limiting or preventing the carrying out, or the effects, of any fraudulent act or activity; or
 - (iii) enabling the affairs of the insurer to be dealt with in a more orderly or expeditious way.
- (2) However, the Bank must not make a recommendation under section 170 in respect of a licensed insurer unless it is satisfied on reasonable grounds that the public interest, the financial system or economy of New Zealand, or any policyholders of the insurer cannot be adequately protected under the provisions of this Act other than this subpart or under the Companies Act 1993.

174 Grounds on which associated person may be declared to be subject to statutory management

- (1) The Bank may make a recommendation under section 170 in respect of an associated person of a licensed insurer if it is satisfied on reasonable grounds that—
- (a) 1 or more of the circumstances specified in section 145(a) to (c) apply; or
 - (b) the business and affairs of the licensed insurer are so closely connected with the associated person that a statutory manager would be unable to exercise effectively the powers conferred by this subpart in relation to the insurer unless the statutory manager is also appointed as statutory manager of the associated person; or
 - (c) the associated person is, or may be, operating fraudulently or recklessly in a manner prejudicial to the solvency of the insurer or its ability to comply with this Act or the regulations, and that it is desirable that the person be declared to be subject to statutory management for the purpose of—
 - (i) limiting or preventing the risk of further deterioration of the financial affairs of the person; or
 - (ii) limiting or preventing the carrying out, or the effects, of any fraudulent act or activity; or
 - (iii) enabling the affairs of the person to be dealt with in a more orderly or expeditious way.

- (2) However, the Bank must not make a recommendation under section 170 in respect of an associated person of a licensed insurer unless it is satisfied on reasonable grounds that the public interest, the financial system or economy of New Zealand, or any policyholders of the person or of the insurer cannot be adequately protected under the provisions of this Act other than this subpart or under the Companies Act 1993.
- (3) If an associated person of a licensed insurer is also a licensed insurer, the Bank may make a recommendation under section 170 in respect of the person on any of the grounds in subsection (1) or section 173.
- (4) Section 173 does not limit subsection (3).

175 Bank must give notice of recommendation

The Bank must, as soon as practicable after the making of an Order in Council under section 170 declaring a licensed insurer or an associated person of a licensed insurer to be subject to statutory management, give written notice to the insurer or associated person stating the grounds on which the Bank's recommendation was made.

176 Application of this subpart to joint statutory managers, associated persons, and subsidiaries

- (1) If an Order in Council is made under section 170 appointing 2 or more persons as statutory managers of a licensed insurer, the order must state whether the powers conferred by this subpart must be exercised by those persons acting together or may be exercised individually.
- (2) For the purposes of this subpart, unless the context otherwise requires,—
 - (a) references to a statutory manager, if 2 or more persons are appointed as statutory managers, include references to those statutory managers:
 - (b) if an associated person of a licensed insurer is declared to be subject to statutory management, or a subsidiary of a licensed insurer becomes subject to statutory management under section 170(2) or (3),—
 - (i) references to a licensed insurer in this subpart must be read as including references to the associated person or subsidiary, as the case may be; and
 - (ii) references to a corporation in the provisions of the Corporations (Investigation and Management) Act 1989 (as applied by section 180) must be read as including references to the associated person or subsidiary, as the case may be.

177 Continuation of statutory management of companies restored to New Zealand register

- (1) This section applies to a licensed insurer, an associated person of a licensed insurer, or a subsidiary of a licensed insurer that has been removed from the

New Zealand register under section 317 of the Companies Act 1993 while subject to statutory management.

- (2) If a person to whom this section applies is restored to the New Zealand register under section 328 of the Companies Act 1993, the person continues to be subject to statutory management from the date the person is so restored.

Exercise of powers

178 Considerations affecting exercise of powers by statutory manager

- (1) In exercising the powers conferred by this subpart, a statutory manager of a licensed insurer must have regard to—
 - (a) the purposes of this Act; and
 - (b) the principles set out in section 4 that are relevant to the exercise of those powers; and
 - (c) the advice of the Bank.
- (2) Every statutory manager must—
 - (a) consult with the Bank, to the extent required by the Bank, as to the exercise of those powers;
 - (b) provide the reports that the Bank may require as to the state of the affairs, business, and statutory management of the licensed insurer to persons specified by the Bank (including, but not limited to, the Bank) in the form and with the frequency that the Bank may require.
- (3) The powers conferred by this subpart on a statutory manager of a life insurer are subject to the requirements of subpart 3 of Part 2 (which relates to statutory funds).

179 Statutory manager to comply with directions of Bank

- (1) Every statutory manager of a licensed insurer must comply with any directions given in writing by the Bank relating to the exercise of the powers of the statutory manager under this subpart.
- (2) This section is subject to section 58 of the Corporations (Investigation and Management) Act 1989 (as applied by section 180).

- (1) Nothing in this Act limits the Corporations (Investigation and Management) Act 1989.
- (2) In particular, a licensed insurer (or an associated person of a licensed insurer) may be declared to be subject to statutory management, or subject to the exercise of any other powers, under that Act.

Power to obtain documents and information

182 Powers to obtain documents and information

A statutory manager has, and may exercise, all of the powers conferred on a liquidator of a company by sections 261 to 267 of the Companies Act 1993 in the same manner as if the statutory manager were the liquidator of a company in liquidation under that Act (and, for that purpose, section 373(3) of that Act applies with all necessary modifications).

Sales and dispositions

183 Sale requires Bank's approval

The statutory manager may not sell or otherwise dispose of the following unless the statutory manager has consulted with the Bank and the Bank, with the consent of the Minister, has given approval in writing to the sale or other disposition and the terms and conditions of it:

- (1) An order may be made under section 185 vesting any property, rights, and assets of an overseas person in a body corporate formed and registered under that section despite the existence, or the terms and conditions, of any security over the property, or over those rights or assets, in favour of any other person.
- (2) Any property, rights, or assets that are declared to vest under an order made under section 185 in the body corporate, being property, rights, or assets subject to a security in favour of any other person, continue to be subject to the security.

 - (b) relates to any property held by the overseas person before the date specified in an Order in Council made under section 185; and
