Administration of Maungauika

ss 2(1), 6(7)(f), 38(1), 42, 50(6)

1 Meaning of specified date

In this schedule, unless the context requires another meaning, **specified date** means the date specified in the Order in Council referred to in section 38(1).

2 Maunga Authority administering body of Maungauika

On and from the specified date, the Maunga Authority is the administering body of Maungauika for the purposes of the Reserves Act 1977, and that Act applies as if the reserve were a reserve vested in the administering body.

3 Status of interests in relation to Maungauika

- (1) On and from the specified date, the Maunga Authority must be treated as the grantor or the grantee, as the case may be, of any interest in relation to Maungauika existing immediately before the specified date.
- (2) Subclause (3) applies if an interest described in subclause (1) is not an interest in land, whether or not the interest also applies to any other land.
- (3) On and from the specified date, the interest applies in respect of Maungauika—
 - (a) until the interest expires or is terminated; and
 - (b) with any other necessary modifications.
- (4) In this clause, **interest** means the interest, or any renewal of the interest, including any variations.

4 Ownership of improvements

- (1) This clause applies to improvements attached to Maungauika immediately before the specified date.
- (2) On the specified date, improvements owned by the Crown immediately before the specified date vest in the Maunga Authority.
- (3) Despite subclause (2), the improvements located on that part of Maungauika identified as Area C1 or Area C2 on deed plan OTS-115-12 vest in the Maunga Authority only if, immediately before the specified date, the Crown is not occupying the improvements that are buildings in those areas.
- (4) On the specified date, improvements owned by the Auckland Council immediately before the specified date remain vested in the Auckland Council. However, the improvements must be treated as if they were vested in the Maunga Authority for the purposes of administering Maungauika under the Reserves Act 1977.
- (5) If not already the case as a result of the operation of section 34(8), an improvement to which subclause (2) or (4) applies—

- (a) no longer forms part of Maungauika; and
 - (b) must be treated as personal property and not as land or an interest in land; and
 - (c) may remain attached to Maungauika without the consent of, and without charge by, the trustee.
- (6) Subclauses (2) to (5) apply subject to any other enactment that governs the ownership of the improvement concerned.
- (7) On the specified date, any other improvement attached to Maungauika on the vesting of the maunga in the trustee under section 33 remains vested in accordance with section 34(2), (3), (4), and (9) to (11) as those subsections read immediately before their repeal by clause 15 of this schedule.
- (8) The trustee is not liable for an improvement for which it would, apart from this section, be liable by reason of its ownership of Maungauika.

5 Improvements: exercise of rights, use, access, etc

- (1) For the purposes of administering Maungauika under the Reserves Act 1977, on and from the specified date, the Maunga Authority is responsible for any decisions in respect of any matter that may arise from a person exercising, or purporting to exercise, a right in relation to any improvement attached to Maungauika.
- (2) Subclause (1) is subject to subclause (3), clauses 6 to 11, and any other enactment that governs the use of the improvement concerned.
- (3) On and from the specified date, an improvement described in clause 4(2) or (4)—
- (a) may be accessed, used, occupied, repaired, or maintained at any time without the consent of, and without charge by, the trustee; and
 - (b) may, subject to the requirements of the Reserves Act 1977 and any other enactment, be removed or demolished at any time without the consent of, and without charge by, the trustee; but,—
 - (i) before doing so, the trustee must be given not less than 15 working days' written notice of the intended removal or demolition; and
 - (ii) after the removal or demolition, the Maunga Authority must ensure that the land is left in a clean and tidy condition.

6 Maunga Authority must allow access to certain Crown land to continue

- (2) The Crown must offer the buildings to the trustee for purchase on any terms the Crown thinks fit. However, the Crown may sell the buildings to the trustee only if the trustee can demonstrate that it is able to secure the right to use the buildings for a purpose compatible with the reserve classification under the Reserves Act 1977 that applies to Maungauika on the proposed date of sale.
- (3) If the trustee purchases the buildings,—
 - (a) the Crown must give written notice to the Maunga Authority of that fact; and
 - (b) any remaining improvements owned by the Crown in Area C1 vest in the Maunga Authority on the date specified by the Crown in the notice.
- (4) If the trustee declines to purchase the buildings, or the offer to purchase expires in accordance with subclause (3),—

 - (b) after the removal or demolition, the Crown must ensure that the land is left in a clean and tidy condition.
