6 Section 21 amended (Applications for Minister's consent)

Replace section 21(2) with:

- (2) The following particulars are required:
- (a) the business address of the person in whose name the application is made: 5
 - (b) the name under which the medicine will be distributed:
 - (c) details of the method of manufacture of the medicine:
 - (d) qualitative and quantitative particulars of all ingredients of the medicine named by the descriptive or non-proprietary names of the ingredients:
 - (e) a description of the quality of the raw materials used in the manufacture of the medicine: 10
 - (f) a description of the form or forms of the medicine, the dosage, and the method and route of administration:
 - (g) the indications for which the medicine may be administered:
 - (h) reports of toxicological, pharmacological, and clinical studies that support the application: 15
 - (i) reports of any tests made to control or monitor the quality of the medicine, including any tests that relate to its stability:
 - (j) a translation into English, authenticated in a manner required in writing by the Director-General, of any report referred to in **paragraph (h) or (i)** that is not in English: 20
 - (k) any evidence to show that the distribution in any country other than New Zealand of the medicine in the form and for the purposes that it is proposed to be distributed in New Zealand has been approved or consented to by the appropriate authorities in that country: 25
 - (l) an accurate copy of every label and other descriptive matter proposed to be used on or included in, or to accompany, packages or containers containing the medicine:
 - (m) the name and address of the place or places where the manufacture, preparation, or packing is intended to be carried out. 30

7 New sections 22A to 22E inserted

After section 22, insert:

22A Interpretation

In this section and in **sections 22B to 22E**, unless the context otherwise requires,—

full evaluation does not include an evaluation that is abbreviated, abridged, made in reliance on another evaluation, or simplified in any way

full marketing authorisation—

- (a) means an authorisation that permits the sale, distribution, and advertising of a medicine that is based on a full evaluation of the medicine by a recognised regulatory authority; but
- (b) does not include a provisional, conditional marketing, emergency, or export-only authorisation

5

recognised regulatory authority means a person or body declared to be a recognised regulatory authority by notice given in accordance with **section 22AA**

rules means rules made by the Minister under **section 22D**.

10

22AA Recognised regulatory authorities

(1) The Minister may, by notice in the *Gazette*, declare a person or body (whether in New Zealand or overseas) to be a recognised regulatory authority if the Minister is satisfied that the person or body—

- (a) is a regulator of medicines; and
- (b) operates in a regulatory framework similar to that provided under this Act and other legislation relevant to—
 - (i) the matters that they must take into account in making decisions as a regulator; and
 - (ii) the decision-making process; and
- (c) has a formal framework for co-operation with the Director-General; and
- (d) uses international guidelines and standards in relation to medicines consistent with those used under this Act; and
- (e) conducts their business and releases reports in English.

15

20

(2) The Minister may revoke a declaration under **subsection (1)** if the Minister is satisfied that the recognised regulatory authority no longer meets 1 or more of the criteria in **subsection (1)**.

25

22B Application for Minister's consent by verification

(1) A person may apply for consent by verification by lodging the application with the Director-General.

30

(2) Before the Minister considers an application under **section 22C**, the Director-General must decide within the period specified in the rules whether an application for consent by verification complies with **subsection (3)**.

(3) An application must contain all the particulars and be in the form required by—

35

- (a) **section 21(2)**; and
- (b) the rules.

- (4) The Director-General may issue the applicant with 1 or more invoices for any fee payable under regulations in respect of the application.

22C Minister's consent by verification

- (1) Despite section 22, the Minister may, by notice, consent to the sale, distribution, and advertising of a new medicine if the Minister is satisfied that— 5
- (a) any fee payable under regulations in respect of the application has been paid; and
 - (b) the new medicine—
 - (i) has a full marketing authorisation granted by 2 or more recognised regulatory authorities; and 10
 - (ii) is identical in all material respects to the medicine that has full marketing authorisation granted by 2 or more recognised regulatory authorities; and
 - (iii) meets the requirements for consent by verification set out in the rules; and 15
 - (iv) meets the relevant requirements of the Medicines Regulations 1984; and
 - (v) does not require independent assessment by the Director-General to contextualise the benefit-risk profile of the medicine due to local disease epidemiology, public health considerations, or New Zealand specific health risks; and 20
 - (vi) is not pending deferral of full marketing authorisation, or has not had full marketing authorisation rejected or withdrawn, by a recognised regulatory authority for quality, safety, or efficacy reasons; and 25
 - (vii) has not been subject to any regulatory action that may result or has resulted in a suspension or revocation of the market authorisation by a recognised regulatory authority.
- (2) A decision under **subsection (1)** may grant consent, refuse consent, or withdraw the application for resubmission as an assessment under section 22 or 23. 30
- (3) A decision under **subsection (1)** may be made subject to any conditions that the Minister considers appropriate in the circumstances.
- (4) The Minister must make a decision under **subsection (1)** within the time period specified in the rules, which begins on the date the fee payable under regulations in respect of the application is paid. 35
- (5) The Minister may request an applicant to provide further information or to amend an application (or both) if the Minister considers that—
- (a) further information is required to assess the new medicine under **subsection (1)**; or

<ul style="list-style-type: none"> (b) the information provided indicates that the medicine may not be suitable for use in New Zealand. 	
<ul style="list-style-type: none"> (6) If the Minister makes a request under subsection (5), the time period specified for decision making in the rules ceases to run from the date the request is made until the date on which the applicant complies with the request. 	5
<ul style="list-style-type: none"> (7) A consent given under this section does not warrant the safety or efficacy of the medicine to which the consent relates. 	
<ul style="list-style-type: none"> (8) A notice under this section is secondary legislation (<i>see</i> Part 3 of the Legislation Act 2019 for publication requirements). 	
22D Rules for Minister’s consent by verification	10
<ul style="list-style-type: none"> (1) The Minister may make rules setting out requirements— <ul style="list-style-type: none"> (a) relating to applications for consent by verification; and (b) relating to medicines for which consent by verification is sought; and (c) for lodging an application for consent by verification; and (d) for processing an application for consent by verification. 	15
<ul style="list-style-type: none"> (2) Before making rules under this section, the Minister must consult the organisations or bodies that the Minister considers to be representative of persons likely to be substantially affected by the rules during a period of at least 8 weeks. 	
<ul style="list-style-type: none"> (3) Subsection (2) does not apply if the Minister is satisfied that the rules make an amendment that is minor in effect or corrects a minor or technical error. 	20
<ul style="list-style-type: none"> (4) Rules made under this section are secondary legislation (<i>see</i> Part 3 of the Legislation Act 2019 for publication requirements). 	
22E Powers of Minister after grant of consent	
<ul style="list-style-type: none"> (1) The Minister may request the holder of a consent by verification to provide further information in relation to that consent within a time frame specified in the request if the Minister has reason to believe that the medicine did not or may no longer meet the requirements in section 22C(1). 	25
<ul style="list-style-type: none"> (2) If the Minister has requested further information in relation to a consent, the Minister may suspend that consent for the period— <ul style="list-style-type: none"> (a) starting on the date of the request; and (b) ending no later than the close of the day on which the Minister decides whether to act under subsection (3). 	30
<ul style="list-style-type: none"> (3) The Minister may revoke the consent or impose conditions on the consent if,— <ul style="list-style-type: none"> (a) having considered the further information provided by the holder of the consent, the Minister considers that there is reasonable doubt as to whether the medicine meets the requirements in section 22C(1); or (b) the holder of the consent has not provided the information requested within the specified time frame. 	35

- (4) The Minister may impose conditions on a consent by verification that the Minister considers appropriate in the circumstances at any time.

8 Section 23A amended (Interpretation)

- (1) In section 23A, insert in their appropriate alphabetical order:

application for consent by verification means an application for consent to be granted under **section 22C** allowing the sale, distribution, and advertising of a new medicine 5

verification protected period means, in relation to confidential supporting information relating to an application for consent by verification, a period—

- (a) commencing on the date that information was received by the Minister; and 10
and
(b) ending on the date 5 years after the date of—
(i) notification of consent; or
(ii) refusal of consent

- (2) In section 23A, definition of **confidential supporting information**, paragraph (b), after “application”, insert “or an application for consent by verification”. 15

9 New section 23BA inserted (Protection of confidential supporting information supplied in application for consent by verification)

After section 23B, insert:

23BA Protection of confidential supporting information supplied in application for consent by verification 20

If the Minister receives an application for consent by verification and confidential supporting information, the Minister must, during the verification protected period in relation to that confidential supporting information,—

- (a) take reasonable steps to ensure that that confidential supporting information is kept confidential to the Minister; and 25
(b) not use that confidential supporting information for the purposes of determining whether to grant any other application.

10 Section 23C amended (Circumstances where protection under section 23B does not apply) 30

- (1) In the heading to section 23C, after “**section 23B**”, insert “**or 23BA**”.
(2) In section 23C(1), replace “Notwithstanding section 23B” with “Despite sections 23B and **23BA**”.
(3) In section 23C(1), after “protected period”, insert “or verification protected period”. 35

Part 2

Other amendments

- 11 Section 29 amended (Exemption for medicine required by medical practitioner)**
- (1) In the heading to section 29, replace “**medical practitioner**” with “**specified practitioners**”. 5
- (1A) Replace section 29(1) to (3) with:
- (1) Sections 20 and 24 do not prevent—
- (a) a person supplying to a specified practitioner, on the request of the specified practitioner, any medicine that the specified practitioner requires for the treatment of a patient currently under their care; or 10
- (b) a person supplying to a pharmacy practice a medicine described in **paragraph (a)** for dispensing by the pharmacy practice to the patient; or
- (c) a specified practitioner administering a medicine described in **paragraph (a)** to the patient. 15
- (2) In this section,—
- pharmacist prescriber** means a pharmacist who is a designated prescriber under the Medicines (Designated Pharmacist Prescribers) Regulations 2013
- specified practitioner** means—
- (a) a medical practitioner; or 20
- (b) a nurse practitioner; or
- (c) a pharmacist prescriber.
- 12 New sections 29A and 29B inserted**
- After section 29, insert:
- 29A Exemption for funded alternative medicine** 25
- (1) Sections 20 and 24 do not prevent—
- (a) a person supplying to an authorised prescriber, on the authorised prescriber’s request, a funded alternative medicine required by that authorised prescriber for the treatment of a particular patient currently under that authorised prescriber’s care; or 30
- (b) a person supplying to a pharmacy practice a medicine described in **paragraph (a)** for dispensing to the patient; or
- (c) an authorised prescriber administering the funded alternative medicine to the patient.
- (2) In this section,— 35

funded alternative medicine means a new medicine—

- (a) that has not been granted consent by the Minister under section 20, **22C**, or 23 of this Act; and
- (b) that is listed in the pharmaceutical schedule by Pharmac as an alternative to a medicine that has been granted consent by the Minister under those provisions, because the consented medicine is in short supply

Pharmac has the meaning given in section 4 of the Pae Ora (Healthy Futures) Act 2022

pharmaceutical schedule has the meaning given in section 4 of the Pae Ora (Healthy Futures) Act 2022.

29B Reporting sale or supply of new medicine exempted under section 29 or 29A

(1) **Subsections (2) and (3)** apply to an importer or manufacturer who, for the purposes of section 29(1) **or 29A(1)**, sells or supplies any medicine that is a new medicine by virtue of paragraph (a) of the definition of new medicine in section 3(3) before the notice of consent of the Minister to the distribution of that medicine has been published under the Legislation Act 2019.

(2) The importer or manufacturer must, as soon as practicable after the end of every month in which they have sold or supplied the medicine, provide the following details to the Director-General in writing:

- (a) the trade name and generic name of the medicine:
- (b) the dose form:
- (c) the strength:
- (d) the pack size:
- (e) the month and year of supply:
- (f) the quantity sold or supplied.

(3) The importer or manufacturer must—

- (a) keep a record of the name of the authorised prescriber who requested the medicine, the name of the patient, and the place of supply; and
- (b) provide the names and the place of supply to the Director-General on request.

12A New section 34AA inserted (Exemption for advertising medicines at medical conferences)

After section 34, insert:

34AA Exemption for advertising medicines at medical conferences

- (1) This section applies if the organiser of a medical conference notifies the Director-General at least 30 working days before the opening of the conference of the following:
- (a) that 1 or more medicines that are not approved under section 20, **22C**, or 23 will be advertised at the medical conference: 5
 - (b) the dates on which the medical conference will open and close:
 - (c) the location of the medical conference:
 - (d) whether the medicines have been approved by a recognised regulatory authority: 10
 - (e) whether applications for approval of the medicines under section 20, **22C**, or 23 have been submitted to the Director-General.
- (2) Section 20(2)(c) does not apply to a person who advertises at the medical conference the availability of the medicines.
- (3) In this section, **medical conference** means any conference, including an associated trade show, where the intended audience are health practitioners regulated under the Health Practitioners Competence Assurance Act 2003. 15

12B Section 42C repealed (Restriction on authorised prescribers and delegated prescribers holding interest in pharmacies)

Repeal section 42C. 20
