Regulations

1 Title and commencement

- (1) These regulations may be cited as the Health and Safety in Employment Regulations 1995.
- (2) These regulations shall come into force on 2 October 1995.

2 Interpretation

In these regulations, unless the context otherwise requires,—

Act means the Health and Safety at Work Act 2015

advanced scaffolding includes—

- (a) basic scaffolding;
- (b) suspended scaffolding;
- (c) a barrow ramp;
- (d) a bracket scaffold for tank work and formwork;
- (e) a cantilevered scaffold;
- (f) a catch net;
- (g) a hoist that is cantilevered from a scaffold, has a load limit not exceeding 250 kilograms, and is used for no purpose other than the support of material;
- (h) hung scaffolding, including scaffolding hung from a chain, tube, or wire rope;
- (i) a load platform cantilevered from a scaffold;
- (j) a mast climber;
- (k) a safety net for public protection;
- (l) scaffolding associated with a perimeter safety screen or shutter;
- (m) a sloping platform;
- (n) a spurred scaffold;
- (o) tube and coupler scaffolding, including a covered way or gantry made of tube and coupler scaffolding

agricultural work—

- (a) means work on any farm, being work directly related to the operation of the farm; and

- (b) includes—
 - (i) horticultural work; and
 - (ii) shearing work; and
- (c) includes cooking for any person carrying out any agricultural work; but
- (d) does not include any work on any marine or freshwater farm

alluvial mining operation has the meaning given to it in the Act

basic scaffolding includes—

- (a) a fall arrest system:
- (b) a free-standing modular scaffolding system:
- (c) a gin wheel:
- (d) a rope:
- (e) a static line

breast bench means a machine that is—

- (a) fitted with a circular saw; and
- (b) used to reduce flitches from the log breakdown to smaller dimension timber when the flitches are fed manually past the saw with or without the assistance of horizontal live feed and return rollers

certificate of competence means a certificate of one of the kinds referred to in regulation 27

chief executive means the chief executive of an organisation recognised under regulation 28

construction work—

- (a) means any work in connection with the alteration, cleaning, construction, demolition, dismantling, erection, installation, maintenance, painting, removal, renewal, or repair, of—
 - (i) any building, chimney, edifice, erection, fence, structure, or wall, whether constructed wholly above or below, or partly above and partly below, ground level:
 - (ii) any aerodrome, cableway, canal, harbour works, motorway, railway, road, or tramway:
 - (iii) any thing having the purpose of drainage, flood control, irrigation, or river control:
 - (iv) any distribution system or network having the purpose of carrying electricity, gas, telecommunications, or water:
 - (v) any aqueduct, bridge, culvert, dam, earthwork, pipeline, reclamation, reservoir, or viaduct:
 - (vi) any scaffolding; and

- (b) includes any work in connection with any excavation, preparatory work, or site preparation carried out for the purposes of any work referred to in paragraph (a); and
- (c) includes any work referred to in paragraph (a) or paragraph (b) carried out underwater, including work on buoys, obstructions to navigation, rafts, ships, and wrecks; and
- (d) includes the use of any materials or plant for the purposes of any work referred to in any of paragraphs (a) to (c); and
- (e) includes any inspection or other work carried out for the purposes of ascertaining whether any work referred to in any of paragraphs (a) to (c) should be carried out; but
- (f) does not include any work in any mine, quarry, or tunnel

current, in relation to a certificate of competence, means a certificate of competence that has been issued under regulation 38 and has not expired or been cancelled or suspended under regulation 41

diving means diving under water where the diver breathes gases at greater than atmospheric pressure; and **diver** has a corresponding meaning

logging—

- (a) means felling trees by manual or mechanical means for the purpose of extracting logs, poles, and posts; and
- (b) includes extracting logs to an area within a forest for processing and loading out

mining operation has the meaning given to it in the Act

noise includes sound energy of any frequency, whether or not capable of being perceived by the unaided human ear

notifiable work means—

- (a) any restricted work, as that term is defined in regulation 2 of the Health and Safety in Employment (Asbestos) Regulations 1998;
- (b) any logging operation or tree-felling operation, being an operation that is undertaken for commercial purposes;
- (c) any construction work of 1 or more of the following kinds:
 - (i) work in which a risk arises that any person may fall 5 metres or more, other than—
 - (A) work in connection with a residential building up to and including 2 full storeys;
 - (B) work on overhead telecommunications lines and overhead electric power lines;
 - (C) work carried out from a ladder only;
 - (D) maintenance and repair work of a minor or routine nature;

- (ii) the erection or dismantling of scaffolding from which any person may fall 5 metres or more:
- (iii) work using a lifting appliance where the appliance has to lift a mass of 500 kilograms or more a vertical distance of 5 metres or more, other than work using an excavator, a fork-lift, or a self-propelled mobile crane:
- (iv) work in any pit, shaft, trench, or other excavation in which any person is required to work in a space more than 1.5 metres deep and having a depth greater than the horizontal width at the top:
- (v) work in any drive, excavation, or heading in which any person is required to work with a ground cover overhead:
- (vi) work in any excavation in which any face has a vertical height of more than 5 metres and an average slope steeper than a ratio of 1 horizontal to 2 vertical:
- (vii) work in which any explosive is used or in which any explosive is kept on the site for the purpose of being used:
- (viii) work in which any person breathes air that is or has been compressed or a respiratory medium other than air

overhand planing machine means a machine for planing or smoothing the surface of material by passing it over cutters

plant means plant that is to be used or is used in a workplace

quarrying operation has the meaning given to it in the Act

scaffolding—

- (a) means any advanced scaffolding, basic scaffolding, or suspended scaffolding or any framework or structure, of a temporary nature, used or intended to be used—
 - (i) for the support or protection of persons carrying out construction work or work connected with construction work, for the purpose of carrying out that work; or
 - (ii) for the support of materials used in connection with any such work; and
- (b) includes any scaffolding constructed as such and not dismantled, whether or not it is being used as scaffolding; and
- (c) includes any coupling, device, fastening, fitting, or plank used in connection with the construction, erection, or use of scaffolding

shoring means any material that is or can be used to provide effective support for the exposed face of an excavation; and **shored** has a corresponding meaning

suspended scaffolding includes—

- (a) a boatswain's chair, whether hand-hauled or mechanical:
- (b) a swinging stage, whether hand-hauled or mechanical

tree-felling means felling trees by manual or mechanical means for any purpose—

- (a) other than extracting logs, poles, and posts; but
- (b) including the purposes of—
 - (i) harvesting firewood commercially:
 - (ii) land clearance:
 - (iii) maintaining shelter belts for horticulture:
 - (iv) maintaining or removing trees in the vicinity of overhead power lines:
 - (v) managing and caring for trees in the general community:
 - (vi) silviculture:
 - (vii) willow layering and any other work in catchment or soil erosion operations

Part 2

Duties in relation to management of particular hazards

Duties of all employers in relation to noise at any workplace

10 Application of regulation 11

- (1) In regulation 11, the term **employer** includes—
 - (a) a person who controls a workplace; and
 - (b) a principal who controls the workplace at which a contractor or subcontractor works.
- (2) In regulation 11, the term **employee**,—
 - (a) in relation to a person who controls a workplace, means a person working in the workplace; and
 - (b) in relation to a principal, means an employee of a contractor or subcontractor or, if a contractor or subcontractor is an individual, the contractor or subcontractor, being an employee, contractor, or subcontractor doing any work (other than residential work) that the contractor was engaged to do.

Regulation 10(1)(a): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 10(1)(b): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 10(2)(a): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

11 Noise

- (1) Every employer must, so far as is reasonably practicable, ensure, in relation to every workplace under the control of that employer, that no employee is exposed to noise above the following levels:
 - (a) a noise exposure level, $L_{Aeq,8h}$, of 85 dB(A); and
 - (b) a peak noise level, L_{peak} , of 140 dB,—whether or not the employee is wearing a personal hearing protection device.
- (2) For the purposes of subclause (1),—
 - (a) the noise exposure level, $L_{Aeq,8h}$, is the level of the daily noise exposure normalised to a nominal 8-hour day, in dB(A) referenced to 20 micropascals; that is to say, it is the steady noise level that would, in the course

- of an 8-hour period, cause the same A-frequency-weighted sound energy as that due to the actual noise over the actual working day; and
- (b) the peak noise level, L_{peak} , is the highest frequency-unweighted peak sound pressure level in the workplace in decibels referenced to 20 micropascals, measured using sound measuring equipment with “P” time-weighting, as specified in the Australian Standard numbered AS 1259.1–1990 and entitled “Sound level meters Part 1: Non-integrating”; and
 - (c) the levels of noise referred to in subclause (1) shall be measured and assessed in accordance with the Australian Standard numbered AS 1269–1989 and entitled “Acoustics—Hearing conservation”.
- (3) Where an employer has, so far as is reasonably practicable, taken steps to ensure that no employee at any workplace under the control of that employer is exposed to noise above the levels specified in subclause (1) but has not eliminated the risk that any employee may be exposed to noise above those levels, the employer shall communicate clearly, by way of signs, labelling of machinery, or other appropriate means—
- (a) the fact that noise levels at the workplace are or are likely to be hazardous; and
 - (b) the sort of personal hearing protection device that is suitable to protect against the noise levels; and
 - (c) where such a device may be obtained.

Regulation 11(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 11(2)(b): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 11(3): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 11(3)(a): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Duties of all employers in relation to some hazards at any workplace

12 Application of regulations 13 to 21

- (1) In regulations 13 to 21, the term **employer** includes a person who controls a workplace.
- (2) In regulations 13 to 17 and 19 to 21, the term **employee**, in relation to a person who controls a workplace, means a person working in the workplace.

Regulation 12(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 12(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

13 Overcrowding

[Revoked]

Regulation 13: revoked, on 15 May 2017, by regulation 6 of the Health and Safety in Employment Amendment Regulations 2017 (LI 2017/64).

14 Containers of liquids

[Revoked]

Regulation 14: revoked, on 4 April 2016, by regulation 55 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016 (LI 2016/13).

15 Loose but enclosed materials

[Revoked]

Regulation 15: revoked, on 4 April 2016, by regulation 55 of the Health and Safety at Work (General Risk and Workplace Management) Regulations 2016 (LI 2016/13).

16 Raised objects

[Revoked]

Regulation 16: revoked, on 15 May 2017, by regulation 6 of the Health and Safety in Employment Amendment Regulations 2017 (LI 2017/64).

17 Cleaning, maintenance, or repair of machinery

- (1) Subject to subclause (2), every employer must, so far as is reasonably practicable, ensure, in relation to every workplace under the control of that employer, that, where the cleaning, maintenance, or repair of any machinery while the whole or a part of the machinery is moving may cause harm to any employee, the machinery is not cleaned, maintained, or repaired—
 - (a) until every part of the machinery, including any extension or attachment, has been secured against movement, including inadvertent movement; and
 - (b) until every control device has been secured in the inoperative position by the use of locks or lock-out procedures or other equally effective means.
- (2) Every employer must, so far as is reasonably practicable, ensure, in relation to any machinery to which subclause (1) applies, that, where it is essential to the process that the machinery performs, or to the procedure for cleaning, maintaining, or repairing the machinery, that the whole or a part of the machinery remains in motion during cleaning, maintenance, or repair,—
 - (a) a procedure is established for the carrying out of the cleaning, maintenance, or repair in a safe manner; and
 - (b) the procedure contains at least the following features:
 - (i) no employee who has not been adequately trained for the purpose shall carry out the cleaning, maintenance, or repair;
 - (ii) where it is essential that a part of the machinery remains moving, only that part shall be set in motion; and

(c) the procedure is followed on every occasion to which it applies.

Regulation 17(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 17(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

18 Woodworking and abrasive grinding machinery

Where any machinery of a kind listed in column 1 of Schedule 1 is used in a workplace under the control of any employer, that employer must, so far as is reasonably practicable, ensure that the machinery is provided with a protective device or apparatus—

- (a) of the kind or kinds listed, opposite the name of that machinery, in column 2 of that schedule; and
- (b) that is suitable for the purpose for which it is to be used.

Regulation 18: amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

19 Application of regulation 20

- (1) Subject to subclauses (2) to (6), regulation 20 applies to every self-propelled mobile mechanical plant—
 - (a) upon which any employee rides at a workplace under the control of an employer; and
 - (b) that is provided by that employer.
- (2) Regulation 20 does not apply to the following:
 - (a) any agricultural harvester:
 - (b) any bus:
 - (c) any car:
 - (d) any crane:
 - (e) any drag line:
 - (f) any fork-lift with a telescopic boom:
 - (g) any log hauler:
 - (h) any paving machinery:
 - (i) any power operated elevated work platform:
 - (j) any tractor used in agricultural work:
 - (k) any truck:
 - (l) any van:
 - (m) any machinery that has a mass of 700 kilograms or less:
 - (n) any machinery used in an alluvial mining operation, a mining operation, or a quarrying operation.

- (3) Regulation 20 does not apply to any self-propelled mobile mechanical plant that has been designed to be used on level ground at all times, if the employer has, so far as is reasonably practicable, taken steps to ensure that every employee at every workplace under the control of that employer so uses the self-propelled mobile mechanical plant.
- (4) WorkSafe may, by certificate in writing, subject to such conditions, if any, as may be specified in the certificate, exempt from any or all of the provisions of regulation 20—
- (a) any particular kind of machinery; or
 - (b) any machinery or kind of machinery when used in any particular work or in any particular kind of work,—
- if satisfied that, having regard to any conditions imposed, the provision or provisions in respect of which the exemption is granted are not reasonably practicable or are not reasonably necessary for the protection of employees using the machinery or, as the case may require, carrying out the work.
- (5) WorkSafe may at any time cancel a certificate by which an exemption is granted under subclause (4), if satisfied that it is proper to do so.
- (6) Where WorkSafe cancels a certificate under subclause (5), WorkSafe shall—
- (a) determine a date, being a date allowing a reasonable period after the date of the cancellation, after which the certificate shall cease to have effect;
 - (b) where any such certificate has been issued to any particular person, notify that person of the date of the cancellation and the date after which the certificate shall cease to have effect;
 - (c) where any such certificate has not been issued to any particular person, publish by way of a notice in the *Gazette* the date of the cancellation and the date after which the certificate shall cease to have effect.

20 Self-propelled mobile mechanical plant

- (1) Every employer must, so far as is reasonably practicable, ensure that every self-propelled mobile mechanical plant to which this regulation applies is fitted with a roll-over protective structure and a seat belt.

- (2) Every employer must, so far as is reasonably practicable, ensure—
- (a) that every roll-over protective structure fitted to a self-propelled mobile mechanical plant pursuant to subclause (1) is suitable for the purpose for which it is to be used; and
 - (b) that every seat belt fitted to a self-propelled mobile mechanical plant pursuant to subclause (1) is of a kind, and fitted in a manner, that is suitable for the purpose for which it is to be used; and
 - (c) where the roll-over protective structure fitted to any self-propelled mobile mechanical plant pursuant to subclause (1) is damaged so that its effectiveness is substantially reduced, no employee uses the plant until the structure has been either—
 - (i) replaced; or
 - (ii) restored to a condition approved by the manufacturer or the manufacturer's principal agent in New Zealand, or by a chartered professional engineer (as defined in section 6 of the Chartered Professional Engineers of New Zealand Act 2002) with a qualification in mechanical engineering, as equal in strength and effectiveness to the structure as originally fitted.

Regulation 20(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 20(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Duty in relation to heights at some workplaces

21 Heights of more than 3 metres

- (1) In this regulation, the term **employer** does not include any employer who employs any employee to carry out any agricultural work in a workplace under the control of that employer.
- (2) Every employer must, so far as is reasonably practicable, ensure, in relation to every workplace under the control of that employer, that, where any employee may fall more than 3 metres,—
 - (a) means are provided to prevent the employee from falling; and
 - (b) any means so provided are suitable for the purpose for which they are to be used.

Regulation 21(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 21(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Duty in relation to scaffolding in construction work

22 Scaffolding

- (1) In this regulation, the term **employer** means—
- (a) every employer, in relation to every workplace under the control of that employer in which any construction work is carried out; and
 - (b) every person who controls a workplace in which any construction work is carried out.
- (2) Every employer must, so far as is reasonably practicable, ensure that, where any construction work cannot be carried out safely without the use of scaffolding,—
- (a) scaffolding is provided; and
 - (b) the scaffolding so provided is—
 - (i) suitable for the purpose for which it is to be used; and
 - (ii) properly constructed of sound material; and
 - (iii) constructed with a sufficient reserve of strength having regard to the loads and stresses to which it may be subjected; and
 - (iv) sufficient in amount for the purpose for which it is to be used.

Regulation 22(1)(a): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 22(1)(b): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 22(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Duties in relation to excavations in construction work

23 Application of regulations 24 and 25

- (1) In regulations 24 and 25, the term **employer** means—
- (a) every employer, in relation to every workplace under the control of that employer in which any construction work is carried out; and
 - (b) every person who controls a workplace in which any construction work is carried out.
- (2) In regulations 24 and 25, the term **employee**,—
- (a) in relation to an employer of the kind described in subclause (1)(a), means an employee of that employer; and
 - (b) in relation to a person of the kind described in subclause (1)(b), means a person working in the workplace.

Regulation 23(1)(a): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 23(1)(b): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 23(2)(b): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

24 Excavations with face more than 1.5 metres high

- (1) Subject to subclause (2), every employer must, so far as is reasonably practicable, ensure that, where any face of any excavation is more than 1.5 metres high, that face is shored.
- (2) Subclause (1) does not apply where—
 - (a) the face is cut back to a safe slope; or
 - (b) the material in the face is of proven good standing quality under all reasonably foreseeable conditions of work and weather; or
 - (c) by reason of the nature of the work and the position of any employee in the vicinity, there is no danger to any employee; or
 - (d) the provision of shoring is impracticable or unreasonable by reason of the nature of the work and the employer has, so far as is reasonably practicable, taken steps to ensure that other precautions are taken to make the face as safe as possible in the circumstances.
- (3) Every employer must, so far as is reasonably practicable, ensure that any shoring used in any excavation at the workplace—
 - (a) consists of materials that are suitable for the purpose for which they are to be used, of sound quality, and adequate in strength for the particular use; and
 - (b) has bracings, jacks, and struts that are securely held to prevent accidental displacement, and packings and wedges that are held by nails or spikes; and
 - (c) is placed in a proper manner by an experienced person under competent supervision; and
 - (d) is not altered, dismantled, or interfered with except on the instructions of the employer or a representative of the employer.

Regulation 24(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 24(2)(d): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 24(3): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

25 Excavations of hazardous depth

Every employer must, so far as is reasonably practicable, ensure, where any excavation is—

- (a) readily accessible to any person; and
- (b) likely to collect or retain water of such a depth as to constitute a danger to any person,—
that—
- (c) any such excavation is covered or fenced, when no employee is in the immediate vicinity to prevent access to it by any person; and
- (d) any such excavation created in the course of the work is covered, fenced, or filled at the completion of the work.

Regulation 25: amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Notification of particular hazardous work

26 Notification

- (1) In this regulation, the term **employer** includes a person who controls a workplace.
- (2) Subject to subclause (4), every employer who intends to commence any notifiable work or any work that will at any time include any notifiable work must, so far as is reasonably practicable, take steps to lodge notice of that intention in accordance with this regulation.
- (3) A notice required to be lodged under subclause (2) shall—
 - (a) be lodged at an office that deals with occupational safety and health matters, being the nearest such office of the Department to the place where the work is to be carried out; and
 - (b) be in writing; and
 - (c) be given at least 24 hours before the time at which the employer intends to commence the work; and
 - (d) contain the following particulars—
 - (i) the nature and location of the work; and
 - (ii) the name, address, and contact details of the employer; and
 - (iii) the intended date of commencement of the work; and
 - (iv) the estimated duration of the work.
- (4) It shall not be necessary for any employer to comply with subclause (2) before commencing any construction work or tree-felling operation necessary to deal with an emergency arising from—
 - (a) damage caused by any earthquake, explosion, fire, flood, lightning, rain, slip, storm, or washout; or
 - (b) the blockage or breakdown of any drain or sewer; or
 - (c) the blockage or breakdown of any distribution system or network for electricity, gas, telecommunications, or water.

Regulation 26(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 26(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

- (b) have a thorough knowledge of the practices that must be followed to enable powder-actuated tools to be operated safely; and
- (c) have had suitable recent training, including suitable recent experience, in the operation of powder-actuated tools.

35 Requirements of scaffolder

An applicant for a certificate of competence as a scaffolder shall—

- (a) have a thorough knowledge of the use or uses to which the type or types of scaffolding in respect of which the applicant seeks a certificate may be put; and
- (b) have a thorough knowledge of the erection, maintenance, repair, and dismantling of the type or types of scaffolding in respect of which the applicant seeks a certificate; and
- (c) have a thorough knowledge of the practices that must be followed to enable scaffolding of the type or types in respect of which the applicant seeks a certificate to be used, erected, maintained, repaired, and dismantled safely; and

- (d) have had suitable recent training, including suitable recent experience, in the use, erection, maintenance, repair, and dismantling of scaffolding of the type or types in respect of which the applicant seeks a certificate.

36 Investigations by chief executive or WorkSafe

- (1) For the purpose of investigating whether an applicant for a certificate of competence is a person to whom regulation 31 applies, the chief executive or WorkSafe, as the case may be, may—
 - (a) request the applicant to supply information on relevant matters; and
 - (b) request any person who the chief executive or WorkSafe believes is able to provide relevant information to provide information on relevant matters.
- (2) A request under subclause (1)—
 - (a) shall specify those matters on which the chief executive or WorkSafe, as the case may be, seeks information; and
 - (b) may be made from time to time.
- (3) The applicant shall supply information on such matters as may be specified in a request made under subclause (1)(a).
- (4) Any person to whom a request is made under subclause (1)(b) shall supply information on such matters as may be specified in the request, if the person holds that information or can reasonably be expected to obtain it.
- (5) Every person shall have the same privileges in relation to the giving of information to the chief executive or WorkSafe, as the case may be, as witnesses have in any court.
- (6) No person shall be liable to prosecution for any offence against any enactment by reason of that person's compliance with any requirements of the chief executive or WorkSafe, as the case may be, under this regulation.

Regulation 36 heading: amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 36(6): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

37 Use of information

For the purpose of determining whether an applicant is a person to whom regulation 31 applies, the chief executive or WorkSafe, as the case may be, may

take into account any information received in response to the exercise of the powers conferred by regulation 36.

Regulation 37: amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

38 Chief executive or WorkSafe to issue certificate of competence

- (1) A chief executive or WorkSafe, as the case may require, to whom an application for a certificate of competence is made shall issue the certificate of competence sought in the application, if he or she is satisfied—
 - (a) that the application was made in accordance with regulations 29 and 30; and
 - (b) that the applicant is a person to whom regulation 31 applies.
- (2) Where a chief executive or WorkSafe, as the case may require, refuses to issue any certificate of competence, he or she shall supply to the applicant a statement of the reasons for the refusal.

Regulation 38 heading: amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 38(1): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

39 WorkSafe to determine duration

- (1) WorkSafe shall from time to time determine the period for which each kind of certificate of competence, issued after a date to be determined by WorkSafe, shall remain in force.
- (2) WorkSafe may determine different periods for different kinds of certificates of competence.
- (3) A certificate of competence expires at the close of the day that concludes the period that applies to certificates of competence of that kind.
- (4) Every certificate of competence shall show on its face the date on which it expires.

Regulation 39 heading: amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 39(1): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 39(2): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

40 Renewal of certificate of competence

- (1) An application for the renewal of a certificate of competence shall—
 - (a) be made before the day on which the certificate expires; and
 - (b) be accompanied by the fee, if any, prescribed in Schedule 2; and

- (c) be made—
 - (i) where the certificate was issued by an organisation recognised under regulation 28, to the chief executive of that organisation; or
 - (ii) where WorkSafe has withdrawn recognition from the organisation that issued the certificate or where the organisation has ceased to exist, to the chief executive of any organisation recognised under regulation 28 whose functions are substantially similar to those of the organisation that issued the certificate or to WorkSafe; or
 - (iii) where the certificate was issued by WorkSafe, to WorkSafe.
- (2) Where WorkSafe has, after the date on which a certificate of competence was issued, recognised an organisation under regulation 28 as an organisation that may issue certificates of competence, WorkSafe shall transfer to the organisation any application for a renewal of any certificate of competence that that organisation may issue.
- (3) Where an application is made in accordance with this regulation, the certificate of competence to which the application relates shall be renewed, unless the person to whom the application is made or transferred cancels or suspends the certificate under regulation 41.
- (4) A certificate of competence may be renewed before or after the day on which the certificate expires, but in each case the renewed certificate shall be in force from the commencement of the day following that day.
- (5) Subclauses (3) and (4) of regulation 39 apply to a certificate of competence renewed under this regulation.

Regulation 40(1)(c)(ii): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 40(1)(c)(iii): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 40(2): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

41 Cancellation or suspension of certificate of competence

- (1) The person who issued a certificate of competence shall cancel the certificate if he or she is satisfied on reasonable grounds that the holder has died.
- (2) The person who issued a certificate of competence shall cancel the certificate if, after giving the holder an opportunity to be heard, he or she is satisfied on reasonable grounds—
 - (a) that the certificate was issued in error; or
 - (b) that the holder's application for the certificate contained any false information or evidence; or
 - (c) that the holder either never has been or is no longer a person to whom regulation 31 applies.

- (3) The person who issued a certificate of competence shall cancel the certificate or suspend the certificate for such period as he or she thinks fit if, after giving the holder an opportunity to be heard, he or she is satisfied on reasonable grounds—
- (a) that the holder has been so negligent in carrying out any task that the holder of the certificate could reasonably be expected to perform to a reasonable standard that the life of any person has been or could have been endangered; or
 - (b) that the holder has shown himself or herself unfit to be the holder of the certificate by the improper manner in which he or she has carried out any task that the holder of the certificate could reasonably be expected to perform in a proper manner.
- (4) In this regulation, the term **person who issued a certificate of competence** includes a person to whom an application under regulation 40 is made or transferred.

42 Replacement of certificate of competence

- (1) An application for a duplicate of a certificate of competence shall—
- (a) be accompanied by the fee, if any, prescribed in Schedule 2; and
 - (b) be made—
 - (i) where the certificate was issued by an organisation recognised under regulation 28, to the chief executive of that organisation; or
 - (ii) where WorkSafe has withdrawn recognition from the organisation that issued the certificate or where the organisation has ceased to exist, to the chief executive of any organisation recognised under regulation 28 whose functions are substantially similar to those of the organisation that issued the certificate or to WorkSafe; or
 - (iii) where the certificate was issued by WorkSafe, to WorkSafe.
- (2) Where WorkSafe has, after the date on which a certificate of competence was issued, recognised an organisation under regulation 28 as an organisation that may issue certificates of competence, WorkSafe shall transfer to the chief executive of that organisation any application for a duplicate of any certificate of competence that that organisation may issue.
- (3) Where the person to whom an application is made or transferred under this regulation is satisfied that a certificate of competence has been lost or destroyed, that person shall issue a duplicate of that certificate.

Regulation 42(1)(b)(ii): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 42(1)(b)(iii): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 42(2): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

43 Register

- (1) Every organisation recognised under regulation 28 and the Department shall keep a register of the individuals to whom the chief executive or WorkSafe, as the case may be, has issued a certificate of competence.
- (2) Every register kept under subclause (1) shall show—
 - (a) the full name of the holder:
 - (b) the kind of certificate the holder holds:
 - (c) the date on which the certificate expires:
 - (d) in relation to a certificate that has been suspended, the date on which the suspension took effect and the date on which the suspension ends:
 - (e) in relation to a certificate that has been cancelled, the date of cancellation.

Regulation 43(1): amended, on 16 December 2013, by section 22 of the WorkSafe New Zealand Act 2013 (2013 No 94).

Regulation 43(2)(e): added, on 12 September 1996, by regulation 33(2) of the Health and Safety in Employment (Mining Administration) Regulations 1996 (SR 1996/220).

44 Appeal to District Court

- (1) An appeal may be made to a District Court by—
 - (a) an applicant who is dissatisfied with a refusal to issue a certificate of competence under regulation 38:
 - (b) a holder of a certificate of competence who is dissatisfied with a refusal to renew the certificate of competence under regulation 40:
 - (c) a holder of a certificate of competence who is dissatisfied with the cancellation or suspension of the certificate of competence under regulation 41:
 - (d) a holder of a certificate of competence who is dissatisfied with a refusal to issue a duplicate of that certificate under regulation 42.
- (2) Part 9 of the District Courts Rules 1992 (SR 1992/109) applies to an appeal brought under subclause (1).
- (3) The decision of the District Court on any appeal brought under subclause (1) shall be final.

45 Fees inclusive of goods and services tax

The fees prescribed by Schedule 2 are inclusive of goods and services tax under the Goods and Services Tax Act 1985.

46 Transitional provisions relating to certificates of competence

- (1) This regulation applies to—
 - (a) a certificate of competency granted under the Construction Regulations 1961; or

- (b) a certificate as a powder-powered tool operator granted under the Construction Regulations 1961; or
 - (c) a certificate of registration as a construction diver issued under the Construction Regulations 1961—
- that would have been in force at the commencement of these regulations but for the revocation of the Construction Regulations 1961.
- (2) Where a person holds a certificate to which this regulation applies, that person may, before 2 October 1996, make an application under regulation 40 as if that certificate had been in force at the commencement of these regulations and as if—

Part 4

Duties in relation to certificates of competence

Duties of employers in relation to divers

47 Application of regulations 48 and 49

- (1) In regulations 48 and 49, the term **employer** includes a person who controls a workplace.
- (2) In regulations 48 and 49, the term **employee** in relation to a person who controls a workplace, means a person working in the workplace.

Regulation 47(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Regulation 47(2): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

48 Diver

- (1) Every employer must, so far as is reasonably practicable, ensure that every employee who dives in the course of that employee's work is the holder of a current certificate of competence as a diver, being a certificate that authorises the holder to dive in the category of diving in which the employee is diving.
- (2) Nothing in this regulation prevents an employee training to become the holder of a certificate of competence as a diver from diving, in the course of that employee's work, under the direct supervision of the holder of such a certificate, being a current certificate that authorises the holder to dive in the category of diving in which the employee is diving.

Regulation 48(1): amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

49 Duty in respect of medical fitness of diver

Notwithstanding anything in regulation 48, every employer must, so far as is reasonably practicable, ensure that every employee who dives in the course of that employee's work is, at the time of so diving, medically fit for diving.

Regulation 49: amended, on 4 April 2016, by section 232 of the Health and Safety at Work Act 2015 (2015 No 70).

Duties of employers in relation to construction work

50 Application of regulations 52 and 53

- (1) In regulations 52 and 53, the term **employer** means—
 - (a) every employer, in relation to every workplace under the control of that employer in which any construction work is carried out; and
 - (b) every person who controls a workplace in which any construction work is carried out, including, in relation to regulation 52, every person who owns any powder-actuated tool operated in any workplace in the course of construction work.
- (2) In regulations 52 and 53, the term **employee**,—
 - (a) in relation to an employer of the kind described in subclause (1)(a), means an employee of that employer; and
 - (b) in relation to a person of the kind described in subclause (1)(b), means a person working in the workplace.
