Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on 1 April 2006, amends the Fisheries (Interim and Annual Deemed Values) Notice 2003 (**the principal notice**) in 2 respects.

First, the amendment extends the application of clause 7A (values exclusive of GST) of the principal notice. It provides that the interim and annual deemed values specified in Schedule 1 of the principal notice, and the Chatham Islands deemed values specified in Schedule 2 of the principal notice, are exclusive of goods and services tax insofar as they also relate to the fishing year commencing on 1 April 2006 and all subsequent fishing years commencing on 1 April.

Secondly, the amendment inserts new items into Schedule 1 of the principal notice (which sets out interim and annual deemed values for certain fishstocks).
