How receipt of working-age benefit affects debt recovery suspension

10 Suspension starts only if benefit has been cancelled

- (1) This regulation applies to a person described in regulation 8(1) who is, or is treated as, a person who is receiving, or has been granted, a working-age benefit.
- (2) Recovery of the person's benefit debts must not be suspended in accordance with regulation 8 unless—
 - (a) the working-age benefit or, as the case may be, the grant of that benefit, has been cancelled; or
 - (b) the person is treated as a person who was receiving a working-age benefit that has now been cancelled.
- (3) This regulation overrides regulation 8.

11 Suspension ceases if person receives benefit

- (1) Suspension of the recovery of a person's benefit debts in accordance with regulation 8 ceases if the person—
 - (a) receives a working-age benefit; or
 - (b) is treated as a person receiving a working-age benefit.

- (2) This regulation overrides regulation 8.

Certain spouses or partners treated as persons who are or were receiving working-age benefits

12 Non-qualifying spouses or partners of recipients of New Zealand superannuation or veteran's pension

- (1) This regulation applies to a person (**person A**) who is the spouse or partner of another person (**person B**) if, and only if, person B—
- (a) is receiving New Zealand superannuation or a veteran's pension; and
 - (b) has elected to receive the specified rate.
- (2) Person A must, unless subclause (3) applies, be treated for the purposes of these regulations as a person receiving a working-age benefit.
- (3) If person B changes his or her election by electing to receive a rate of New Zealand superannuation or veteran's pension other than the specified rate, person A must instead be treated for the purposes of these regulations as a person who was receiving a working-age benefit that has now been cancelled.
- (4) In this regulation, **specified rate** means the appropriate rate—
- (a) set out in clause 2 of Schedule 1 of the New Zealand Superannuation and Retirement Income Act 2001; or
 - (b) specified in section 169(2) of the Veterans' Support Act 2014.

Regulation 12(4): replaced, on 7 December 2014, by section 278 of the Veterans' Support Act 2014 (2014 No 56).

13 Spouses or partners of persons granted working-age benefits payable at certain rates

- (1) This regulation applies to a person (**person A**) who is the spouse or partner of another person (**person B**) if, and only if, person B has been granted a working-age benefit payable at the rate for a person whose spouse or partner has not been granted a benefit in his or her own right.
- (2) Person A must, unless subclause (3) applies, be treated for the purposes of these regulations as a person receiving a working-age benefit.
- (3) If person A commences employment in a permanent employment position and the rate of benefit payable is abated, on account of the income from the employment, to half, or less than half, of the rate referred to in subclause (1), person A must instead be treated for the purposes of these regulations as a person who was receiving a working-age benefit that has now been cancelled.
