Payment of levy

5 Levy to be paid to association

The levy is payable to the association.

6 Wineries primarily responsible for paying levy

A winery that produces non-grape wine is primarily responsible for paying any levy on the wine.

Rate of levy

7 Levy to be paid at single rate

The levy is to be paid at a single rate.

8 Basis of calculation of levy

- (1) The levy payable in a levy year is to be calculated on the basis of the volume (in litres) of non-grape wine that, in that levy year, is—
 - (a) sold for consumption in New Zealand as a drink or part of another drink; or
 - (b) exported as a drink or part of another drink.
- (2) As soon as practicable after the end of a levy year, the association must send each winery a return on which the winery must declare—
 - (a) the volume (in litres) of non-grape wine that the winery produced in that levy year; and
 - (b) the volume (in litres) of non-grape wine that the winery produced (at any time) and that was, in that levy year,—
 - (i) sold for consumption in New Zealand as a drink or part of another drink; or
 - (ii) exported as a drink or part of another drink; and
 - (c) the levy payable by the winery for that levy year.

9 Actual rate of levy

- (1) The actual rate of levy for the first levy year is fixed at \$0.01 per litre (exclusive of GST).
- (2) The association must fix the actual rate of levy for each later levy year, in accordance with its rules, at the annual general meeting or a special general meeting in the previous levy year.
- (3) The rate of levy may not be fixed for a later levy year unless either—
 - (a) the rate is no greater than the rate for the previous levy year; or
 - (b) the rate is approved by wineries at the annual general meeting or special general meeting and either—
 - (i) increases the rate from the previous levy year by no more than the annual percentage increase in the Consumers Price Index (All Groups) pub-

- lished by Statistics New Zealand most recently before the meeting; or
- (ii) is approved by the Minister of Agriculture.

10 Previous rate to apply

If the association does not fix the levy rate before the start of a levy year, the levy rate for that year is the rate most recently fixed under clause 9.

11 Notification of rate of levy

As soon as practicable after a rate of levy is fixed for any levy year, the association must notify the rate—

- (a) in the *Gazette*; and
- (b) by newsletter to all potential levy payers known to the association.

*Time for payment and maximum and minimum
levy payments*

12 When levy payable

- (1) The levy must be paid annually.
- (2) The levy—
- (a) is due for payment on the day on which a winery receives a return from the association under clause 8(2); and
- (b) must be paid no later than the 20th day of the month after the month in which the return is received.

13 Additional levy payable if levy not paid in time

If a winery does not pay any amount of levy by the close of the latest day for payment, the winery must pay additional levy of 10% of the unpaid amount.

14 Maximum and minimum levy payments

- (1) The maximum amount of levy payable by a winery in a levy year is \$1,000.
- (2) The minimum amount of levy payable by a winery in a levy year is \$100.

- (2) A winery that is not a member of the association is entitled to speak at the annual general meeting on matters relating to how the association is to spend the levy money.
- (3) The association must take all reasonable steps to ensure that all persons primarily responsible for paying the levy receive a copy of the association's annual report in accordance with section 25(5) of the Commodity Levies Act 1990.

17 Purposes for which levy money may be spent
