- (6) Subclause (5) does not limit or affect any obligation or liability under this order of any person who has become a collection agent.

*Determination of levy***8 Basis of calculation of levy**

The levy is to be calculated on the basis of the number of livestock (per head) slaughtered at commercial slaughter premises.

9 Returns must be supplied to Director-General or other agent

- (1) A collection agent must supply to the Director-General or other agent, in a form of return specified by the company, any information that the company or the Director-General or other agent reasonably requires in order to determine the amounts of levy payable, including the number and classes of livestock slaughtered at the commercial slaughter premises.
- (2) Returns must be supplied within 10 days after the end of each week to which the return relates.

10 Different rates of levy

A different rate of levy may be fixed for different classes of cattle and sheep slaughtered.

11 Maximum rate of levy

The maximum rate of the levy is (exclusive of GST)—

- (a) for beef, \$4.60 per head of cattle slaughtered; and
- (b) for sheepmeat, \$0.60 per head of sheep slaughtered.

12 Actual rate of levy

The company must fix the actual rate of levy,—

- (a) for the levy year ending on 30 September 2010, by any lawful means;
- (b) for any subsequent levy year, in accordance with its constitution and after consulting livestock farmers.

13 Rate if no rate fixed before beginning of levy year

If the company does not fix the actual rate of levy before the beginning of a levy year, the levy for that year is payable at the rate last fixed under clause 12.

14 Notification of levy rate

As soon as practicable after the rate of levy is fixed for a levy year, the company must notify it—

- (a) in the *Gazette*; and
- (b) in a publication sent to all levy payers known to the company; and
- (c) by direct mail to all collection agents known to the company.

Payment of levy

15 When levy payable

- (1) The due date for payment of the levy to the Director-General or other agent is the date on which the livestock is slaughtered at commercial slaughter premises.
- (2) The latest date for payment of the levy is 18 days after a demand is made by the Director-General or other agent or any longer period that the company allows.
- (3) Clause 16(4) overrides subclause (2) if a demand for an estimated amount of levy is made.

16 Demands for estimated amounts of levy money

- (1) The company may estimate the levy money payable and the Director-General or other agent may provide a levy demand for that estimated amount if—
 - (a) a return has not been supplied within the time specified in clause 9(2); or
 - (b) the company is not satisfied that the information contained in a return is complete and correct.
- (2) A collection agent who receives a demand under subclause (1) may dispute the estimated amount demanded within 10 days of the demand being made by giving a notice of dispute to the Director-General or other agent, who must then refer it to the company; however, this applies only to the initial demand and not to a substitute demand made under subclause (3)(c)(i).
- (3) Within 15 days of receiving a notice of dispute,—
 - (a) the company must consider the matters raised in it; and
 - (b) the company must undertake any audit of the operations of the collection agent concerned that the company thinks appropriate and the collection agent allows; and
 - (c) by written notice to the collection agent depending on the company's decision on the dispute, the Director-General or other agent must—
 - (i) withdraw the demand, and substitute another for it; or
 - (ii) withdraw the demand, and indicate that no other demand will be substituted for it; or
 - (iii) confirm the demand.
- (4) The latest date for payment of the levy is—
 - (a) 18 days after the demand is made or any longer period that the company allows, unless the collection agent has, within those 18 days, disputed the estimate under subclause (2) or clause 26; or

- (b) if the estimate has been disputed, within 18 days after the demand is confirmed or substituted under subclause (3) or the dispute has been resolved under clause 33.

17 Penalty for late payment

- (1) If any levy money (or GST payable on that money) has not been paid on or before the latest date for payment, the collection agent must pay an additional amount of 10% of the amount owing at the end of each month.
- (2) However, the company may waive the payment of the additional amount and allow the collection agent an extension of time in which to pay the levy money if the company considers that the default arose because of extraordinary circumstances beyond the control of the collection agent.

18 Refunds

- (1) The Director-General or other agent must refund levy money found to have been overpaid or paid in error to the appropriate person unless that person has already received reimbursement of the amount.
- (2) However, before paying a refund under subclause (1), the Director-General or other agent may—
 - (a) require the person to be refunded to provide the Director-General or other agent with the relevant levy returns and any other information justifying the refund and allowing the Director-General or other agent to determine or check the amount of the refund; and
 - (b) verify the returns and any information provided under paragraph (a) in any way the Director-General or other agent thinks fit.

19 Payment of levy money by Director-General or other agent to company

- (1) All levy money (and any GST payable on the money) received by the Director-General or other agent must be paid to the company.

Rebecca Kitteridge,

Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order comes into force on 19 April 2010. It replaces the Commodity Levies (Meat) Order 2004, which expires at the close of 18 April 2010.

The order imposes a levy on meat (defined as beef and sheepmeat) produced by livestock farmers. The levy is payable to Meat and Wool New Zealand Limited by way of the Director-General of the Ministry of Agriculture and Forestry or other agent specified by the company. Livestock farmers are primarily responsible for paying the levy but persons operating commercial slaughter premises will act as collection agents in respect of animals slaughtered on the premises. The collection agents must pay the levy to the Director-General or other agent and may recover it from the livestock

farmer. Levy money that has been collected from farmers but not yet paid to the Director-General or other agent must be held in a trust account.

The order expires 6 years after it is made, by virtue of section 13(1) of the Commodity Levies Act 1990, unless it is revoked or extended before then.

Issued under the authority of the Legislation Act 2012.
