 - (c) the resource consent hearing fees payable in accordance with clause 12.
- (2) Meeting fees payable as remuneration to members of a regional council in accordance with Schedule 1 are payable subject to any conditions set out in that schedule.
- (3) Despite subclause (2), meeting fees are not payable to the chairperson of a regional council.

Territorial authorities and community boards

8 Remuneration and allowances payable to members of territorial authorities and community boards

- (1) The remuneration and allowances payable to the members of a territorial authority and its community boards are—

Instead, the remuneration for the member set out in Schedule 2 includes both the salary and meeting fees payable to the member for holding both offices.
- (4) To avoid doubt, a member of a territorial authority may be remunerated for only 1 designated position.
- (5) Despite subclause (2), meeting fees are not payable to the mayor of a territorial authority.

- (2) An allowance may be paid to a member under subclause (1) for each day within the period of this determination that—
- (a) the member is not provided with a vehicle by the local authority; and
 - (b) the distance travelled by the member on the day exceeds the threshold distance; and
 - (c) the member is travelling—
 - (i) in a private vehicle; and
 - (ii) on the local authority's business; and
 - (iii) by the most direct route that is reasonable in the circumstances.
- (3) The allowance is payable, in relation to each day for which the member qualifies under subclause (2),—
- (a) in accordance with subclause (4); but

- (b) only for the distance travelled on the day that exceeds the threshold distance.
- (4) The vehicle mileage allowance payable to a member is—
 - (a) no more than \$0.77 per kilometre for the first 3 548 kilometres for which the allowance is payable;
 - (b) no more than \$0.37 per kilometre for any distance over 3 548 kilometres for which the allowance is payable.
- (5) If a member is not a member for the whole of the period of this determination, subclause (4) applies as if the reference to 3 548 kilometres were replaced by a reference to the number of kilometres calculated in accordance with the following formula:

$$\frac{a}{b} \times 3\,548$$

where—

- a is the number of days during the period of this determination that the member held office
- b is the number of days in the period of this determination.
- (6) For the purposes of subclause (5), in calculating the number of days that a member held office, in the case of a member who did not hold office before the 2013 triennial general election, the member is to be treated as having held office in the period beginning on the day of the election and ending on the close of the day on which the result of the election was declared under section 86 of the Local Electoral Act 2001.
- (7) In this clause,—
 - on the local authority's business** includes—
 - (a) on the business of any community board of the local authority; and
 - (b) travel between a member's residence and an office of the local authority or a community board
 - threshold distance** means the shorter of the following distances:
 - (a) the distance equivalent to a round trip between the member's residence and the nearest office of the local authority by the most direct route that is reasonable in the circumstances; and

- (b) 30 kilometres, if the distance equivalent to a round trip between the member's residence and the nearest office of the local authority is greater than 30 kilometres by the most direct route that is reasonable in the circumstances.

10 Travel time allowance

- (1) A local authority may pay a member or a member of a community board a travel time allowance if the office of the member cannot be properly regarded as a full-time position.
- (2) An allowance may be paid to a member under subclause (1) for each day within the period of this determination that—
 - (a) the member is travelling—
 - (i) on the local authority's business; and
 - (ii) by the quickest form of transport reasonable in the circumstances; and
 - (b) the travel time of the member exceeds 1 hour.
- (3) The allowance is payable, in relation to each day for which the member qualifies under subclause (2),—
 - (a) at no more than \$35 per hour; but
 - (b) only in respect of the travel for that day that exceeds 1 hour.
- (4) In this clause, **on the local authority's business** includes—
 - (a) on the business of any community board of the local authority; and
 - (b) travel between a member's residence and an office of the local authority or a community board.

11 Communications allowance

 - (e) for an Internet connection (with or without a telephone connection), \$185:
 - (f) for council-related toll and mobile phone charges, \$295.
- (3) The total amount payable to a member under subclause (2) must not exceed \$775.
- (4) If the member is not a member for the whole of the period of this determination, subclause (2) applies as if the reference to an amount were replaced by a reference to an amount calculated in accordance with the following formula:

$$\frac{a}{b} \times c$$

where—

- a is the number of days during the period of this determination that the member held office
 - b is the number of days in the period of this determination
 - c is the relevant amount specified in subclause (2).
- (5) For the purposes of subclause (4), in calculating the number of days that a member held office, in the case of a member who did not hold office before the 2013 triennial general election, the member is to be treated as having held office in the period beginning on the day of the election and ending on the close of the day on which the result of the election was declared under section 86 of the Local Electoral Act 2001.
- (6) The Remuneration Authority may approve rules proposed by a local authority to meet the costs of installing and running special equipment or connections where, because of distance or restricted access, normal communications connections are not available.

Resource consent hearing fees

12 Fees for attending resource consent hearing

- (1) A member of a local authority or of one of its community boards who acts as the chairperson of a resource consent hearing is entitled to be paid a fee of \$100 per hour of hearing time.

- (3) For any period of hearing time that is less than 1 hour, the fee must be apportioned accordingly.
- (4) Despite subclauses (1) and (2), a resource consent hearing fee for a pre-hearing meeting held under section 99 of the RMA is payable to only 1 member.
- (5) Despite subclauses (1) and (2), resource consent hearing fees are not payable to the chairperson of a regional council or the mayor of a territorial authority.

Miscellaneous matters

13 Application of certain allowances if determination continues after expiry

- (1) This clause applies if this determination continues in force after its expiry under clause 7A(4) of Schedule 7 of the Local Government Act 2002.
- (2) Clauses 9(4) and (5) and 11(2) to (4) apply—
 - (a) as if this determination—
 - (i) had come into force on the day after its expiry; and
 - (ii) were to expire on 30 June 2015; and
 - (b) with the modifications specified in subclauses (3) to (5).
- (3) Clause 9(4) and (5) applies as if the reference to 3 548 were replaced by 5 000.
- (4) Clause 11(2)(a) to (f) applies as if the references to \$110, \$110, \$30, \$45, \$185, and \$295 were replaced by \$150, \$150, \$40, \$60, \$250, and \$400 respectively.
- (5) Clause 11(3) applies as if the reference to \$775 were replaced by \$1,050.

Explanatory memorandum

Note: the following explanatory memorandum should be read in conjunction with the explanatory memorandum(s) appended to:

- Local Government Elected Members (2013/14) (Certain Local Authorities) Determination 2013 Amendment Determination 2014

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination comes into force on 13 October 2013 and expires on the close of 30 June 2014.

Over the past 18 months, the Remuneration Authority (the **Authority**) has reviewed the methodology for establishing local government elected members remuneration.

It is now 10 years since the Authority was given the responsibility of fixing the remuneration of mayors of territorial and unitary authorities, the remuneration of chairs of regional authorities, the remuneration of other elected members, and the maximum allowances payable in respect of certain activities undertaken by members. Over time, the Authority became concerned that the pool arrangement established when the Authority first undertook its role was leading to a disparity of remuneration between similar positions in similarly sized councils.

The Authority has consulted widely within local government and has published and sought feedback on 2 consultation documents. The results of our consideration are included in our report “Local Au-

thority Elected Member Remuneration Setting 2013”, which along with the consultation documents and a frequently asked questions section is accessible on the Authority’s website, <http://www.remauthority.govt.nz>

The substantial change is that the Authority has moved away from a totally pool-based approach. Under the new system, the Authority sets a base councillor rate for each council, and councils have the ability to make submissions on the additional remuneration for those councillors undertaking additional duties. The Authority has also set the rate for community board members and chairs, again with the ability to make submissions regarding additional responsibilities.

The new approach, based on independently identified job sizing and estimated hours of work, resulted in the possibility of substantial increases and decreases in previous local government remuneration.

Aware of its responsibility of fairness to both elected members and ratepayers, and the still fragile nature of economic activity, the Authority moderated both increases and decreases to smooth the transition to the new system. The Authority will undertake a further detailed review in 2015/2016 to assess what further adjustments might be justifiable.

The determination also makes changes to the levels and conditions of allowances.

The mileage allowance increases the rate of mileage payable to 77 cents per kilometre to reflect changes in the cost of running a motor vehicle. The expectation is that the standard annual usage of 5 000 kilometres for the higher level of reimbursement is reduced to 3 548 kilometres for members elected in October and would be further prorated if members served for a shorter period.

The travel time allowance increases the rate payable for each applicable period from \$15 to \$35 per hour.

The communications allowance is amended to provide greater clarity on the components for which the allowance can be paid. Such an allowance is payable only where a member uses his or her personal equipment or service provider instead of the local authority providing these items. It is intended to leave to each council the decision as to what appropriate technologies are required to support the work of members.

The communications allowance is prorated from that which would apply for a 12-month period, and also requires payment to be further prorated if members do not serve for the full period of the determination. The determination also provides an ability for councils to approach the Authority for approval of rules under which additional assistance can be provided where unique circumstances apply for geographic reasons.
