Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Financial Advisers (Definitions, Voluntary Authorisation, Prescribed Entities, and Exemptions) Regulations 2011 (the **principal regulations**). Most of the amendments come into force on 30 June 2016. Two minor amendments come into force on 1 December 2016.

The Financial Advisers Act 2008 provides that a unit in a cash or term portfolio investment entity (as defined in the principal regulations) is a category 2 product (*see* paragraph (g) of the definition of that term in section 5 of the Act). *Regulation 4* amends the definition of cash or term portfolio investment entity in regulation 4 of the principal regulations to allow the units to be issued by a registered bank (as well as a subsidiary of a registered bank).

Regulation 7B of the principal regulations specifies certain bank notice products as category 2 products for the purposes of the Financial Advisers Act 2008. Under regulation 7B(4), this regulation was to be in force for a 5-year period ending on 30 June 2016. The effect of *regulation 5* is to remove this time limit so that bank notice products will continue to be category 2 products after 30 June 2016.
