- (2) The Director-General must pay the amount to Kiwifruit Vine Health Incorporated.

Michael Webster,
Clerk of the Executive Council.

Explanatory note

This note is not part of the order, but is intended to indicate its general effect.

This order, which comes into force on the 28th day after the date of its notification in the *Gazette*, amends the Biosecurity (Readiness and Response—Kiwifruit Levy) Order 2015 (the **principal order**).

Clause 1 relates to the Title.

Clause 2 relates to commencement.

Clause 3 provides that the principal order amended by this order is the Biosecurity (Readiness and Response—Kiwifruit Levy) Order 2015.

Clauses 4, 5, 6, and 8 to 13 consequentially amend various clauses of the principal order to reflect the fact that Kiwifruit Vine Health Incorporated will be the industry organisation (rather than The KVH Foundation Incorporated) and to remove references to The KVH Foundation Incorporated from the principal order except where that society is referred to in clause 3 as a former party to the deed that is defined in that clause.

Clause 7 amends clause 9 of the principal order by increasing the maximum rate of levy from 0.28 cents per kilogram to 1.4 cents per kilogram.

This order is a confirmable instrument under section 47B of the Legislation Act 2012. It is revoked at the close of 31 December 2019, unless earlier confirmed by an Act of Parliament. That stated time is the applicable deadline under section 47C(1)(b) of that Act.

Regulatory impact assessment

The Ministry for Primary Industries (**MPI**) prepared a Stage 2 Cost Recovery Impact Statement (**CRIS2**) for this order on 22 June 2018 to help inform the decisions taken by the Government relating to the contents of this instrument. The MPI Regulatory

Impact Analysis Panel and the Treasury jointly reviewed the CRIS2 and the panel considered that the information and analysis summarised in it met the panel's current understanding of the quality assurance criteria.
