 - (b) reimbursement of actual costs of telephone calls made on local authority business on production of the relevant telephone records and receipts.

Pro-rating

$$(a \div b) \times c$$

where—

 - b is the number of days in the determination term

Explanatory memorandum

Note: the following explanatory memorandum should be read in conjunction with the explanatory memorandum(s) appended to the:

- **Local Government Members (2021/22) Amendment Determination (No 2) 2022**
- **Local Government Members (2021/22) Amendment Determination 2022**
- **Local Government Members (2021/22) Amendment Determination (No 2) 2021**
- **Local Government Members (2021/22) Amendment Determination 2021**

This memorandum is not part of the determination, but is intended to indicate its general effect.

This determination comes into force on 1 July 2021 and expires on the close of 30 June 2022.

The mandatory criteria that the Remuneration Authority must have regard to when making a determination covering members of local authorities, local boards, and community boards are listed in clause 7 of Schedule 7 of the Local Government Act 2002. In addition, section 18A of the Remuneration Authority Act 1977 requires the Authority to take into account prevailing adverse economic conditions. This is an important criterion at this time.

Although the economy has proven to be more resilient than predicted at this time last year, the further waves of COVID-19 recurring around the world continue to present a highly volatile and uncertain global environment, which is continuing to have a negative impact on many regions within New Zealand. Given this uncertainty, the Authority has taken a conservative approach to its determination of local government members' remuneration for the 2021/22 year. Some councils have received no increases, while the majority of councils have received a 1% to 1.5% increase to their remuneration. A small number of councils have been given larger increases as part of the phased implementation of the changes the Authority made in 2019 to its approach to determining local government elected members' remuneration. The implementation was delayed in 2020 as a result of the COVID-19 pandemic, so it has resumed this year.

Communications allowance

In the face of COVID-19, most local authorities have had to operate far more extensively in a virtual world. Members are increasingly required to work from home or away from their councils' offices and both members and the public can now attend meetings that are streamed online or via an audio link. This means that members are requiring more reliable, stronger, faster, and fit-for-purpose information and communication services and equipment to support their work. It is the Authority's preference that councils supply the full range of information and communication technology (including mobile telephone and related mobile telephone service) to their members for use on local authority business rather than requiring members to use their own personal equipment and services. However, if a local authority requires its members to use their own personal equipment, consumables, and services, the Authority has

increased the communications allowance to reflect the growing costs of working remotely.

Childcare allowance

The childcare allowance has been in place since 2019 and the Authority has reviewed it, taking into account feedback from a number of local authorities. The Authority has amended the allowance to remove any perceived discrimination based on family status. However, the upper limit of the reimbursement allowance has not changed and remains at \$6,000 per annum.

Vehicle kilometre allowance

The vehicle kilometre reimbursement allowance has been adjusted to reflect the current rates prescribed by the Inland Revenue Department.

All other allowances and hearing fees remain at their 2019 levels until the expiry of this determination.
