Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on the day after the date of its notification in the *Gazette*, amends the Fisheries (Interim and Annual Deemed Values) Notice 2003 to correct the fishing year in respect of which the application clause and revocation clause apply. The notice applies to fish taken in the fishing year that began on 1 October 2003. However, the notice applies to some fishstock in respect of which the next fishing year begins on 1 February 2004 or 1 April 2004. The amendments recognise the different fishing years for fishstocks in respect of which the fishing year begins on those dates.

Issued under the authority of the Legislation Act 2012.
Date of notification in *Gazette*: 8 January 2004.
