## Regulations

### 1 Title

These regulations are the Resource Management (National Environmental Standards Relating to Certain Air Pollutants, Dioxins, and Other Toxics) Amendment Regulations 2008.

### 2 Commencement

These regulations come into force on the 28th day after the date of their notification in the *Gazette*.

### 3 Principal regulations amended

These regulations amend the Resource Management (National Environmental Standards Relating to Certain Air Pollutants, Dioxins, and Other Toxics) Regulations 2004.

### 4 Interpretation

Regulation 3(1) is amended by inserting the following definition in the appropriate alphabetical order:

“**firefighter** means a member of a fire brigade to which the Fire Service Act 1975 applies, including a member of a defence fire brigade or an industrial fire brigade, within the meaning of that Act”.

### 5 Burning of coated wire

Regulation 9 is amended by revoking subclause (2) and substituting the following subclause:

- “(2) Subclause (1) does not apply if the wire is—
- “(a) burnt at industrial and trade premises that have—
    - “(i) a resource consent for the discharge produced; and
    - “(ii) emission control equipment that is designed and operated to minimise emissions of dioxins and other toxics from the process; or
  - “(b) part of a building that is burnt for the purpose of training firefighters.”
