4 Approval of REDFLEXotl radar NK7 Static Speed Camera System	2

Notice

1 Title

This notice is the Land Transport (Approved Vehicle Surveillance Equipment) Notice 2017.

2 Commencement

This notice comes into force on 8 December 2017.

3 Interpretation

In this notice,—

Note

The Parliamentary Counsel Office has made editorial and format changes to this version using the powers under subpart 2 of Part 3 of the Legislation Act 2019.

Note 4 at the end of this version provides a list of the amendments included in it.

This notice is administered by the New Zealand Police.

applicable speed limit data supply device means an auxiliary camera, or other data supply device, that supplies, for the relevant camera system, road, motor vehicle, and time, data that is or includes the applicable speed limit

device for transmitting data means a device, with or without a USB interface, that (wirelessly or by a physical connection, and at any time or times) transmits, or allows (automatic or preset, or on-site or remotely directed) transmission of, data (including data relating to the system's deployment site)—

- (a) directly or indirectly to a computer system for purposes of or including reception of data transmitted from vehicle surveillance equipment; and
- (b) in a way that allows the data to be used and to be retrieved, uploaded, or reproduced

portable device for storing data means a device, with or without a USB interface, that records, retains, or stores data (including data relating to the system's deployment site) in a way that allows the data to be used and to be retrieved, uploaded, or reproduced

time-synchronising device means a timekeeping device that—

- (a) links connected camera systems deployed in a network; and
- (b) provides a time synchronisation signal to ensure identical time is maintained by all of those connected camera systems.

4 Approval of REDFLEXotl radar NK7 Static Speed Camera System

- (1) The vehicle surveillance equipment to which subclause (2) applies is approved as a kind of vehicle surveillance equipment for the purposes of the Land Transport Act 1998.
- (2) The vehicle surveillance equipment to which this subclause applies is the REDFLEXotl radar NK7 Static Speed Camera System—
 - (a) together with 1 of the following:
 - (i) a mounting pole and housing; or
 - (ii) a gantry mount and housing; or
 - (iii) any other mounting system; and
 - (b) with or without all or any of the items of auxiliary equipment in subclause (3).
- (3) The items of auxiliary equipment referred to in subclause (2)(b) are—
 - (a) a synchronised flash unit:
 - (b) a flash unit mounting pole or gantry mount system:
 - (c) a computer network modem or data cable:
 - (d) a portable device for storing data:
 - (e) a device for transmitting data:
 - (f) a power supply device for the camera system, flash unit, or both:

- (g) a time-synchronising device;
- (h) an applicable speed limit data supply device.

Dated at Wellington this 27th day of November 2017.

Hon Stuart Nash,
Minister of Police.

Explanatory note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on 8 December 2017, approves the REDFLEXotl radar NK7 Static Speed Camera System as a kind of vehicle surveillance equipment for the purposes of the Land Transport Act 1998.

Issued under the authority of the Legislation Act 2019.
Date of notification in *Gazette*: 30 November 2017.

Notes**1 General**

This is a consolidation of the Land Transport (Approved Vehicle Surveillance Equipment) Notice 2017 that incorporates the amendments made to the legislation so that it shows the law as at its stated date.

2 Legal status

A consolidation is taken to correctly state, as at its stated date, the law enacted or made by the legislation consolidated and by the amendments. This presumption applies unless the contrary is shown.

Section 78 of the Legislation Act 2019 provides that this consolidation, published as an electronic version, is an official version. A printed version of legislation that is produced directly from this official electronic version is also an official version.

3 Editorial and format changes

The Parliamentary Counsel Office makes editorial and format changes to consolidations using the powers under subpart 2 of Part 3 of the Legislation Act 2019. See also PCO editorial conventions for consolidations.

4 Amendments incorporated in this consolidation

Land Transport (Approved Vehicle Surveillance Equipment) Notice (No 2) 2025 (SL 2025/326): clause 12(b)
