Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 1 July 2018, amend the Social Security (Long-term Residential Care) Regulations 2005 (the **principal regulations**) by increasing the amounts that are allowed to be gifted under regulations 9 and 9A of the principal regulations during a gifting period without affecting the financial means assessment under section 146 of the Social Security Act 1964.

These adjustments are made because a Cabinet decision in 2004 was taken that the allowable gifting level be reviewed annually for adjustment in line with the New Zealand Consumers Price Index, and that the adjustments occur in \$500 increments.

These regulations also revoke the Social Security (Long-term Residential Care) Amendment Regulations (No 3) 2011, which are superseded.

Issued under the authority of the Legislation Act 2012.
