Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations amend the Motor Vehicle Sales Regulations 2003 (the **principal regulations**) and come into force on 1 August 2022. These regulations introduce a tiered fee structure for the prescribed fees that a motor vehicle trader must pay to apply for registration or renewal of registration under sections 31 and 39 of the Motor Vehicle Sales Act 2003.

Previously, an individual and a company would pay the same amount of prescribed fees. The new prescribed fees are (excluding goods and services tax),—

- for an individual applying for registration, \$432:
- for a company applying for registration, \$863:
- for an individual applying for renewal of registration, \$401:
- for a company applying for renewal of registration, \$802.

These regulations also update other fee amounts in the principal regulations to be expressed as excluding goods and services tax.

Issued under the authority of the Legislation Act 2019.
