Explanatory note

This note is not part of the regulations, but is intended to indicate their general effect.

These regulations, which come into force on 23 August 2022, amend the Russia Sanctions Regulations 2022 (the **principal regulations**).

All the amendments fulfil the purpose of the principal regulations, which is to give effect to the Russia Sanctions Act 2022 (the **Act**) by imposing sanctions in response to Russia's military actions in relation to Ukraine (and in response to any assistance from any other country or person).

These regulations—

- add the name of an entity so that the sanctions regime applies to it (*regulation 4*);
- add the names of individuals so that the sanctions regime applies to them (*regulation 5*).

The additional entity is an institution set up to aid Russia's activities in Ukraine. The additional individuals include senior officials in separatist organisations in Donetsk and Luhansk regions, and in occupied regions within Ukraine.

Issued under the authority of the Legislation Act 2019.

Date of notification in *Gazette*: 22 August 2022.

These regulations are administered by the Ministry of Foreign Affairs and Trade.
