Explanatory note

This Supplementary Order Paper amends the Environmental Protection Authority Bill as reported back.

The SOP amends *clauses 15 and 28* to correct a grammatical error and a spelling mistake, respectively.

Clause 74R inserts *new sections 12A to 12D* into the Ozone Layer Protection Act 1996. *New section 12C(1)* describes generally the information that must be recorded in the Ozone Layer Protection Register. *New section 12C(2)* specifies in greater detail the information that must be recorded in the register in relation to permits. The SOP omits *new paragraph 12C(1)(c)*, which specifies a detail

of permits to be included in the register, and inserts that paragraph as *new paragraph (ca)* into *new section 12C(2)*.
