#### *Clause 7*

In *clause 7*, new section 162CA(3), in paragraph (c) of the definition of **certificate of periodic inspection**, delete “(subject to any waiver or modification granted under **section 67A** or 188) (page 7, lines 3 and 4)”.

#### *Clause 10A*

#### *Schedule*

In *Part 2* of the *Schedule*, in the item relating to the Building Regulations 1992 (SR 1992/150), in Schedule 1, new clause F9.3.2(a), delete “(and may enclose the whole or part of the *immediate pool area*)” (page 13, lines 16 to 18).

In *Part 2* of the *Schedule*, in the item relating to the Building Regulations 1992 (SR 1992/150), in Schedule 1, replace new clause F9.3.4 (page 13, line 35 to page 14, line 7) with:

**F9.3.4** Where a *building* forms all or part of an *immediate pool area* barrier, there must be no windows, doors, or other openings to the *immediate pool area* in the part of the *building* that forms the barrier.

### Explanatory note

This Supplementary Order Paper would require all residential pools to have a barrier restricting access from all 4 sides. The Supplementary Order Paper requires a building forming part of that barrier to have no windows, doors, or other openings in it to the pool area. It also removes any discretion to waive the requirements set out in *clause 7, new section 162C* to have a compliant means of restricting access to a residential pool.
